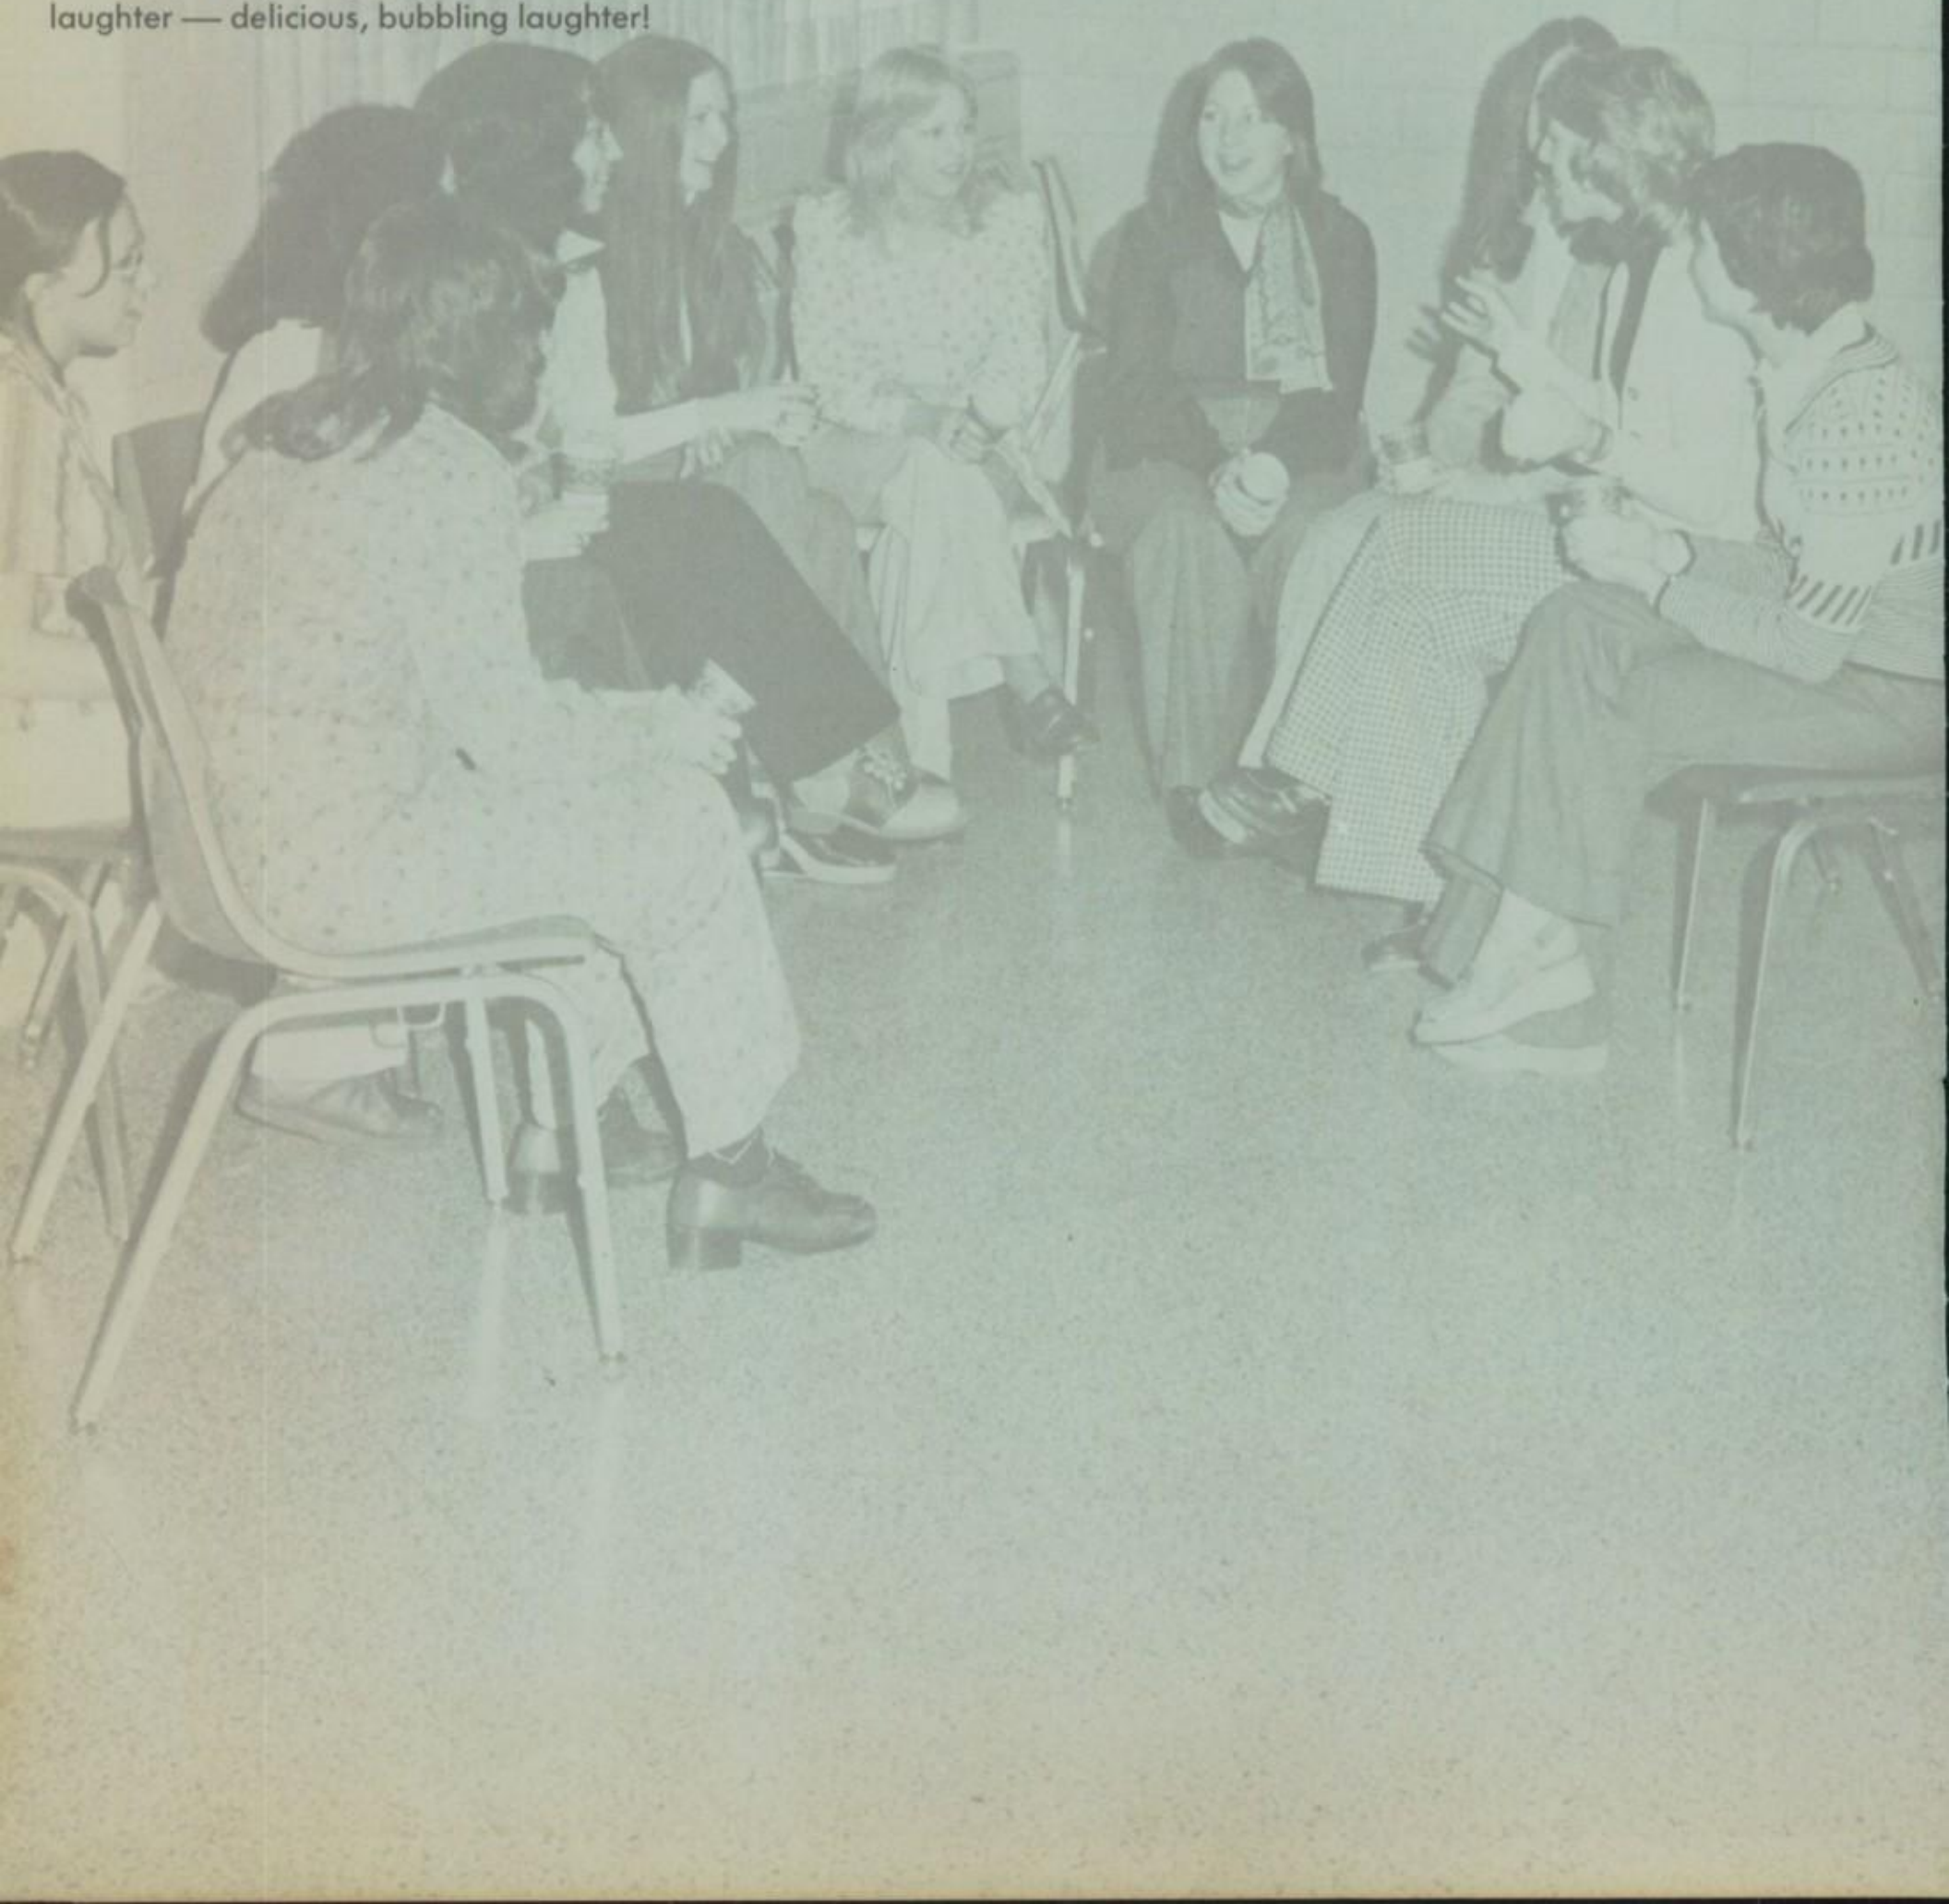
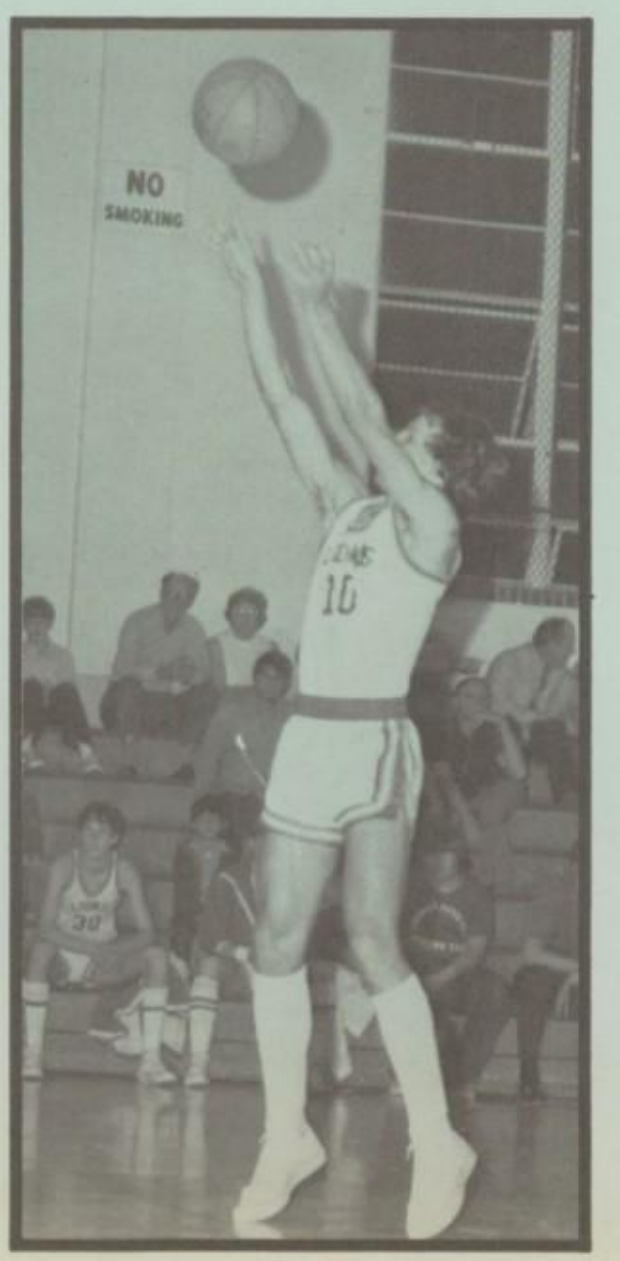
In retrospect one finds an accounting of the pep rallies, the games, and the club meetings that have marked the momentum of this year. The time has come to wash the dabs of poster paint from one's shoes and to contemplate the chemistry of the combination of water, paint, posters, people, and this year at Castleberry High School.

It is time to take a closer look at the faces and figures that populate Castleberry and to look at the notebooks, the pencils, the pictures, the labs and tests that decorated the days, occupied the hands, and expanded the minds. It is time to visualize the ideas that clamor for attention amid the questions begging for answers and the lectures longing to be heard.

In reflecting upon the year, one finds many factors that combine to make campus life at Castleberry High School. In the following pages a pictoral compilation is presented of the elements having an impact on the social and academic life of Castleberry High School students. As one reads through this 1975 CASTLEVIEWS he can enjoy the photographs, reminisce past events, and above it all, listen for the laughter — delicious, bubbling laughter!



Anxious students anticipate a new day as they attentively listen to antagonizing announcements made by administrators and afterwards with awareness and action as they activate themselves in athletics, academics, attendance offices, and art.



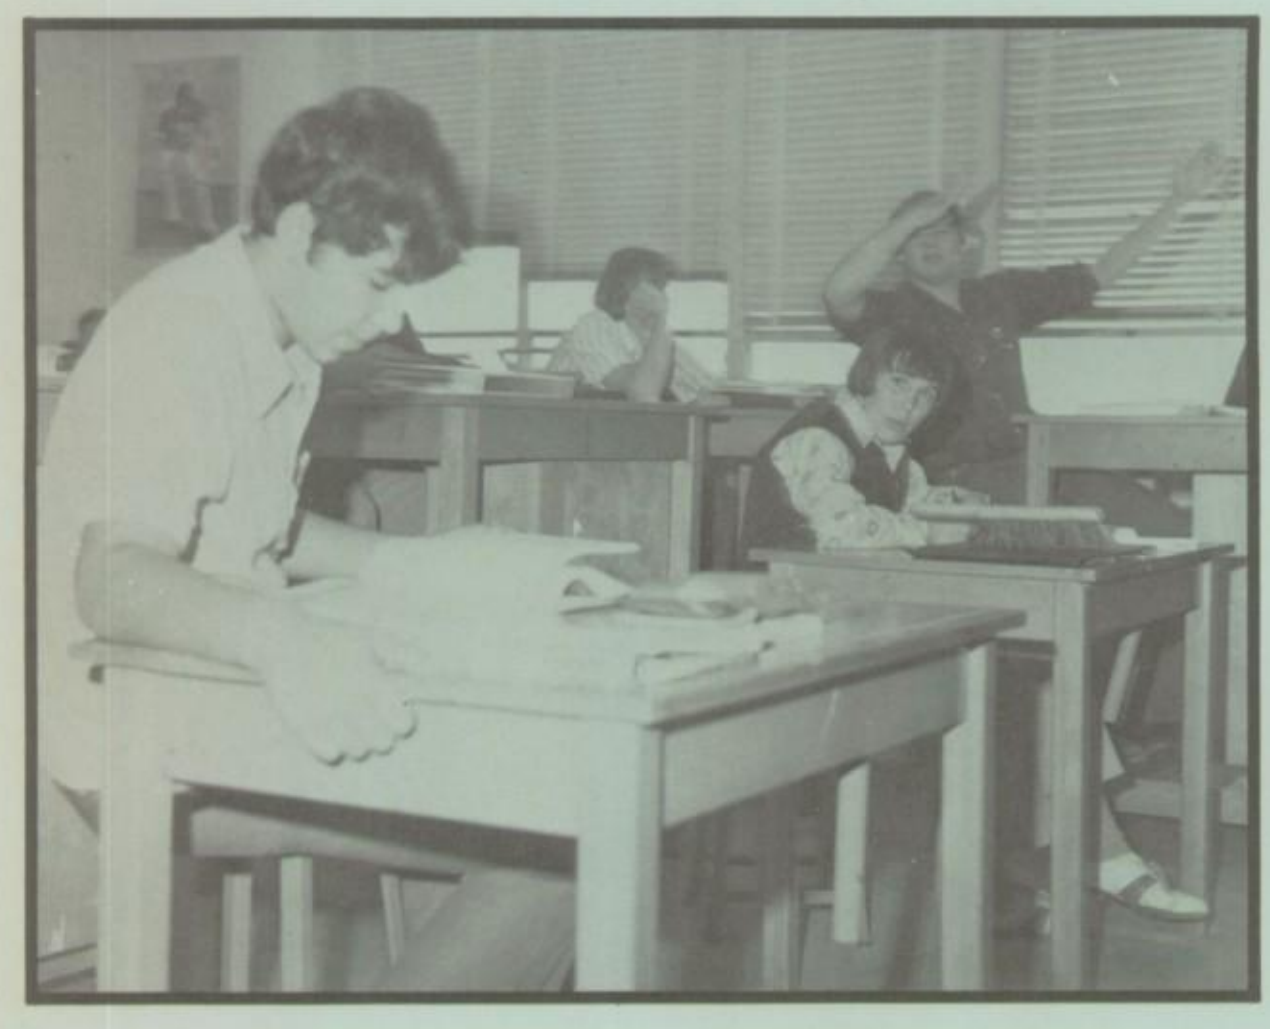
Busy boys and buddies become buried, bored, bedeviled, and generally go bananas because of basketball, baseball, bells, bicycles, band, biology, buses, and business teachers.

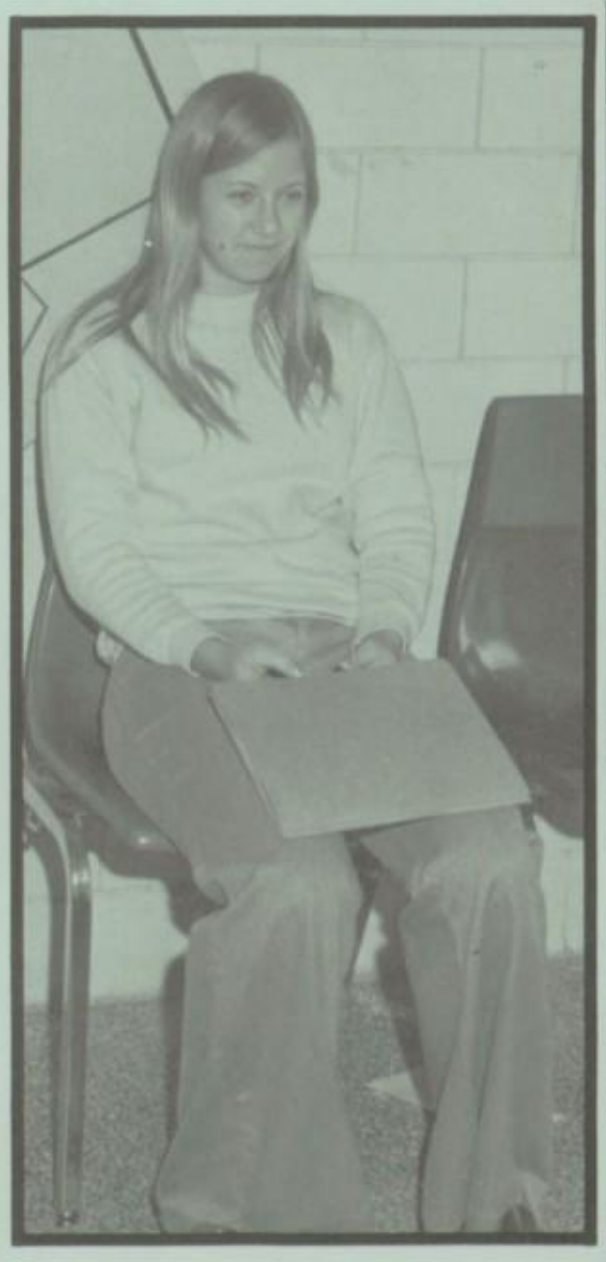
Betty, Even though you have sat across from me all year. I haven't really gotten to know you. I really wish I had But we have next year.

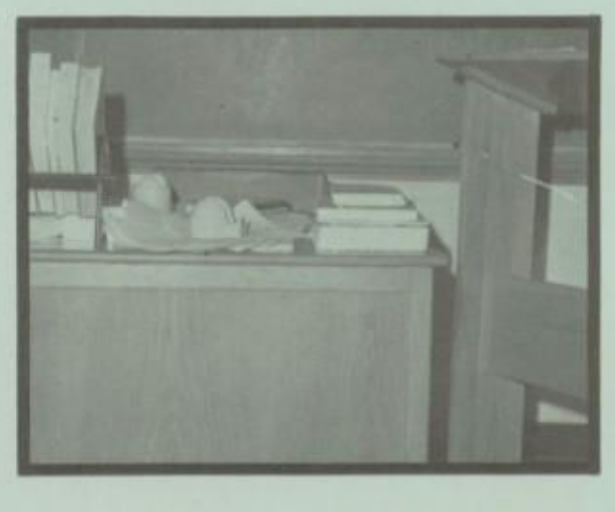
Love, Patti

Concentration at CHS centers around competition, communication, classes, choir, cheerleaders, and counseling. Continual chit-chat completes itself with cavorting cowboys, self-conscious cliques, cafeteria ladies' cooking, and custodians constantly cleaning.

Delightful days depict sometimes dismal duties, difficult decisions, debates, drama, drafting, and desks. Devilish dummies' doodles and daydreams are discouraged and diminished by dreary teachers who give them detention halls.







Enduring enrichment evolves daily as the English teachers enliven and endear themselves to their everlasting classes as enthusiasts encounter endless excitement for their extra-curricular efforts.

Although you have been in my class only a short while, I have enjoyed having you. I wish you success and happiness thoughout your life.
Betty Moore

Funny faces form as students fantasize themselves with favorites, football, flunking, fine arts, French, Freshmen, Ford, fighting, and friends.

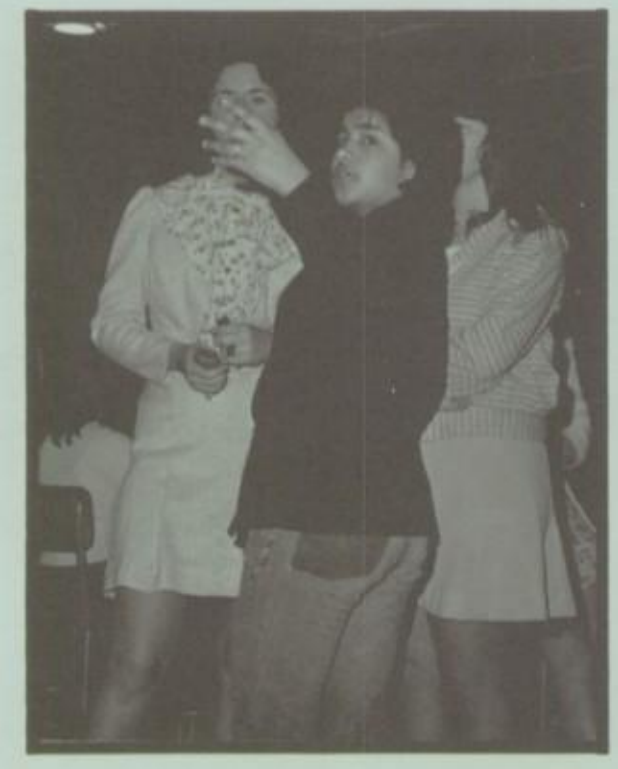
C

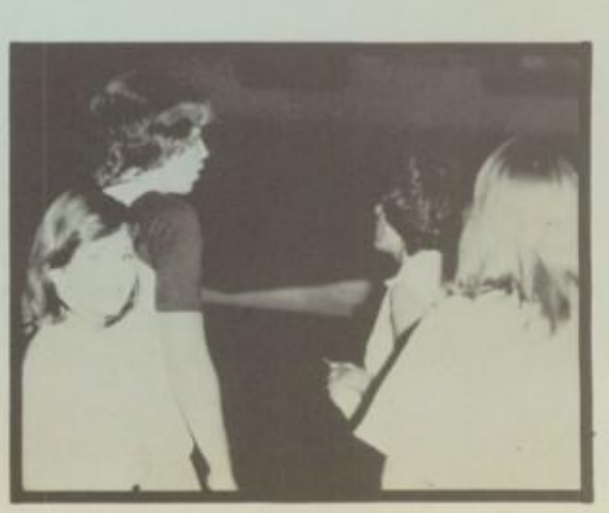
rumbling guys and goofy gals guide gracefully toward grades, games, goals, graduation, and giving generously of themselves.

Horsing around in the halls happens as well as hair-drying, hideous head-ons, hysterical health teachers, homework, hyper-active homemakin teachers, honor society, hollers for HELP, and holidays greeted with happy hurrahs.

Internal issues and interesting industrial arts teachers incorporate independent insights in

jovial juniors, journalism, joyful jokers, and jivin' jocks.

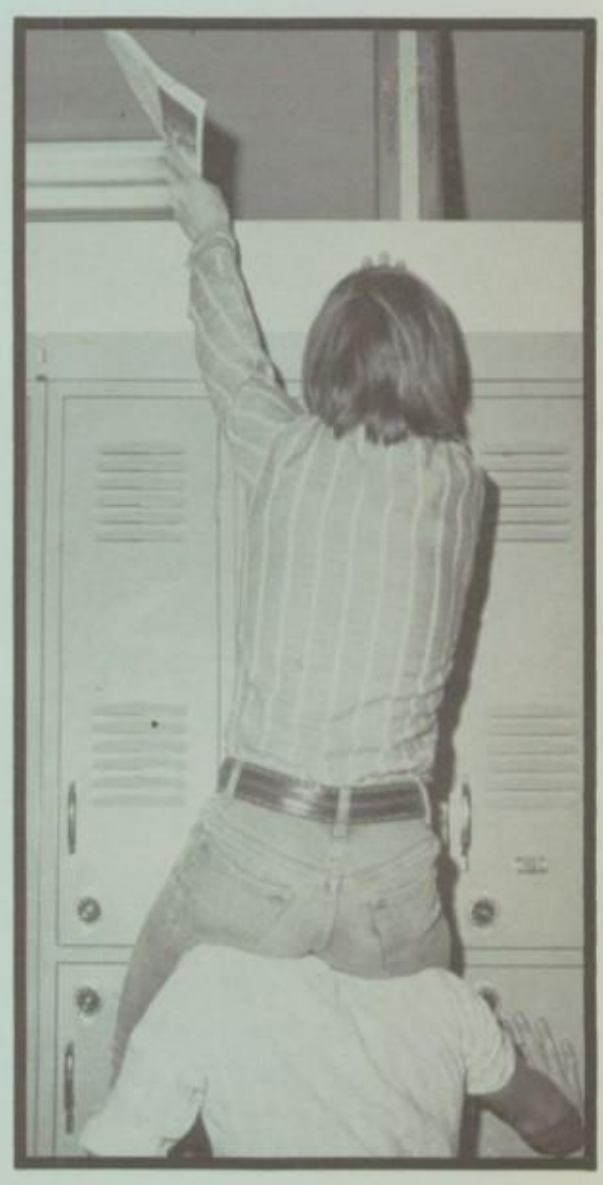




Kooks, kitchens, kindness, keepsakes, and knowledge are all keys of

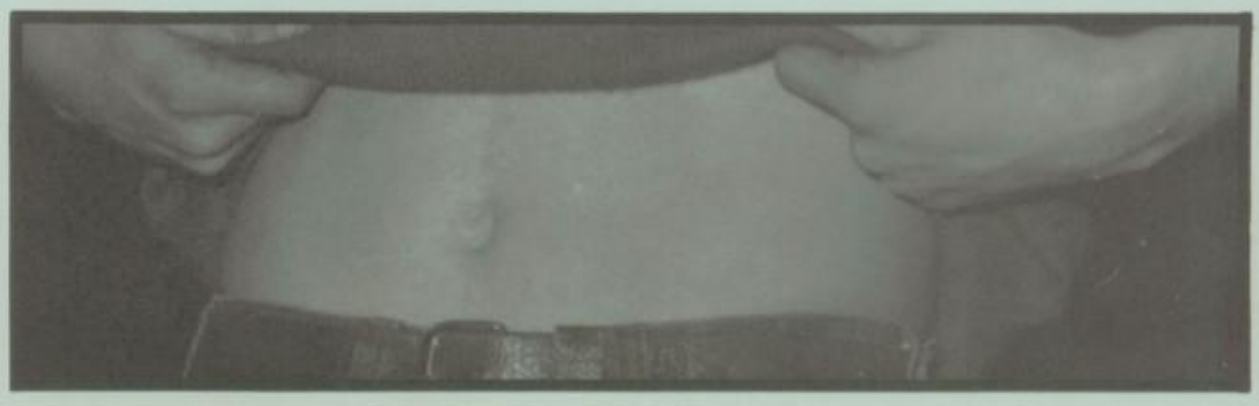
Loyal Lions whose livin' patterns are linked by lectures, language teachers, the lunchroom, laziness, librarians, lies, and love.

Monday mourning melts into mid-week moods mastered by meticulous math teachers, money, male chauvinists, mighty motorcycles, and moving moments.



New nominees took Nixon's place and nervy nude ninnies
wore a naughty nothing as nostalgia neared
neverness

Oblivious to offense opened in others and yet opportunities
arose with orphans, optimistic officers, and odds and
ends.



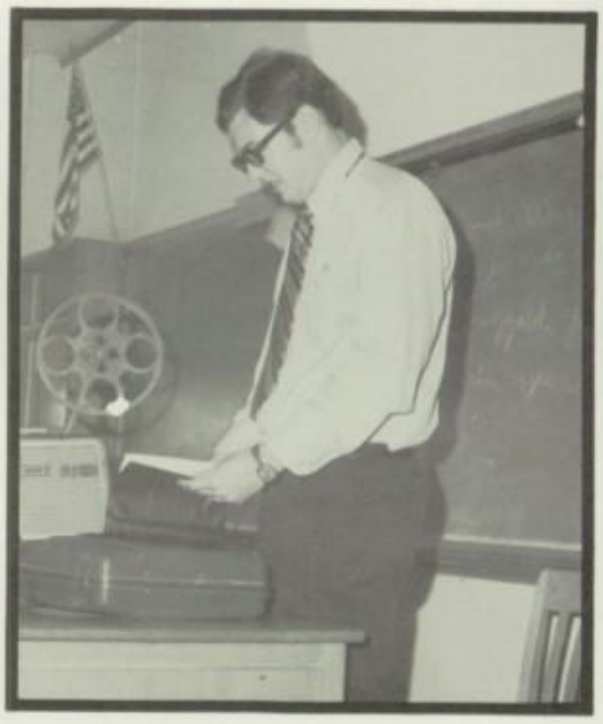
Populations at CHS philosophize about parents, personalities, parties, players, and pep rallies as they pun about physical education teachers, papers, posters, pop-tests, and people.

Quirks and quacks quick to quibble, quarrel,and quip in quantities quit quickly when quiet questioners quiz in their quest for quality.

Runners race for ridiculous reasons with rivals and rules to riotous rituals, Ranch Day, rushes, rewards, and rings, rings, rings!

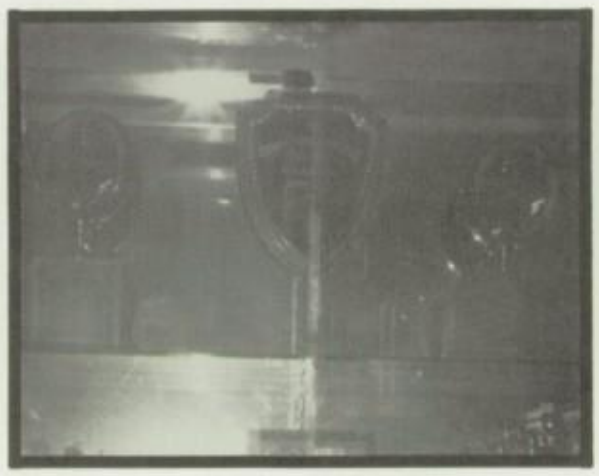
Secretaries, superintendent, and school board are shown satisfactory services by the science teachers, social studies teachers, special education teachers, and student council; subsequently . . .

O. E. Lovelace



. . . submissive sophomores, scandals, spirit, sweethearts, stuck-up snobs, smokers, sponsors, and super studs are all signs of CHS society as silly and sometimes solemn seniors say sayonara.

Tardies, track, tests, tennis, tiny-tid-bits of talk,
tournaments, trainers, teams, time, trophies,
teacher aides, and transportation are tedious tasks
that terminate tired thinking.



Uptight, unique, uninhibited, useful, ugly, urgent, and understanding are understated undercurrents of CHS unity as

Victories, vacations, valuables, V.D., voices, vocational teachers, volleyball, valedictorians, victims, and violence venture into view.

Wily Watergate, worried weight-watchers, work, wits, wrath, Wranglers, weinies, windshield wipes, waste, and wages win wrinkles for the wise and weary as water fountains weep.

Our True Love

Castleberry has had in its midst for eighteen years a teacher who has become a love of both students and faculty. She has a love for her students. She has taught the students many more formulas for life than just math itself. As a wife, mother, and grandmother her life is full and busy; however, she still has found time to be a valuable part of Castleberry High School. She has given unreservedly of herself to the teaching of students and because of these many admired qualities the 1975 Castleviews is dedicated to . . .

The student council is an organization of students dedicated to improving their school. This council consists of four officers and thirty senators with a representative from every homeroom. The council sponsored four dances this year, movies after the quarter tests, the blood drive, the buying of tennis court lights, a toy drive, a Fifties Day, and the Asian orphan support. The school experienced having new speaker systems in the auditorium and in the gymnasium; they also improved the tennis court surface.

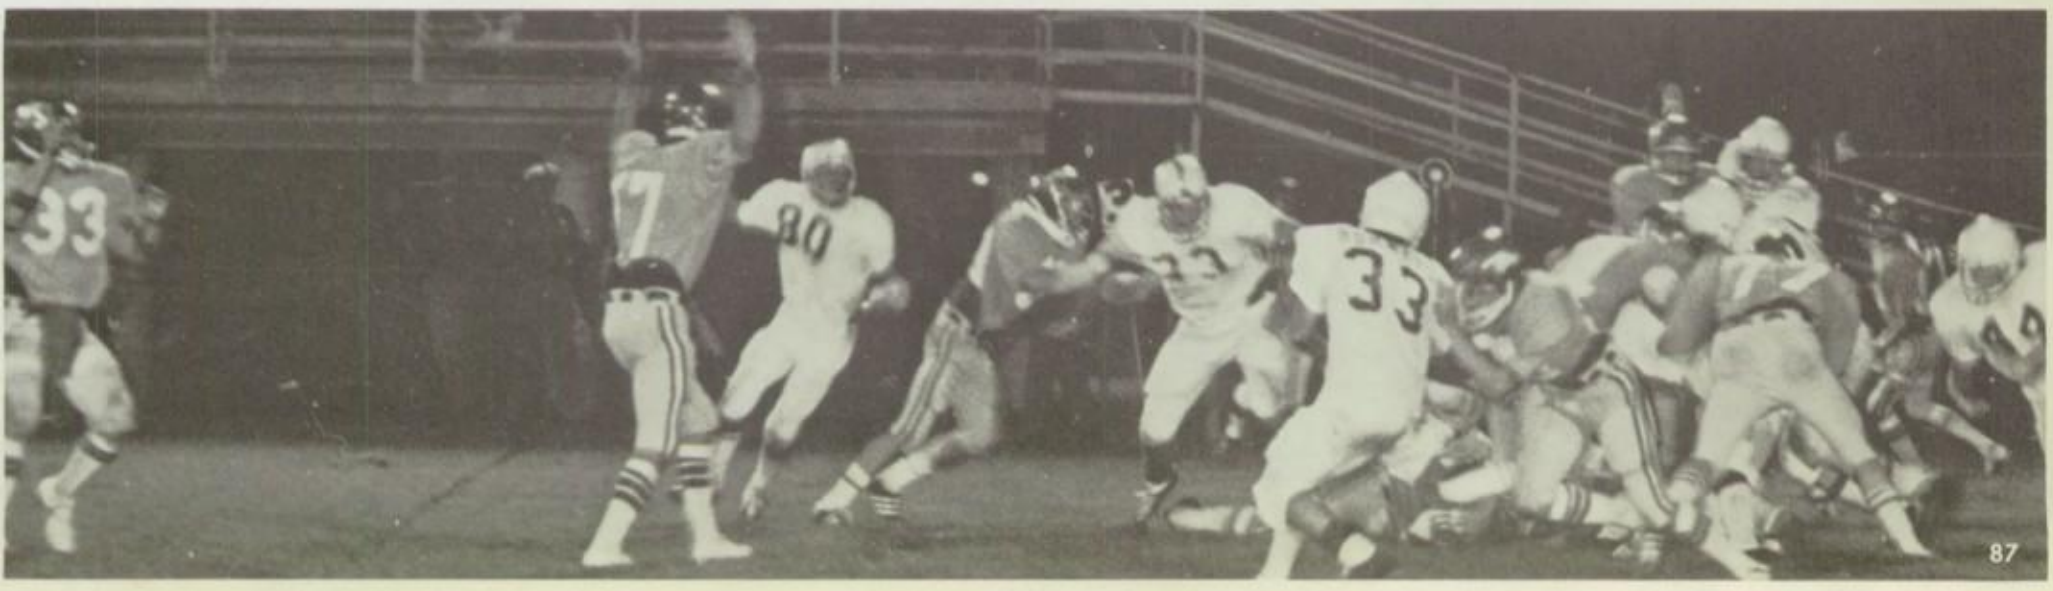
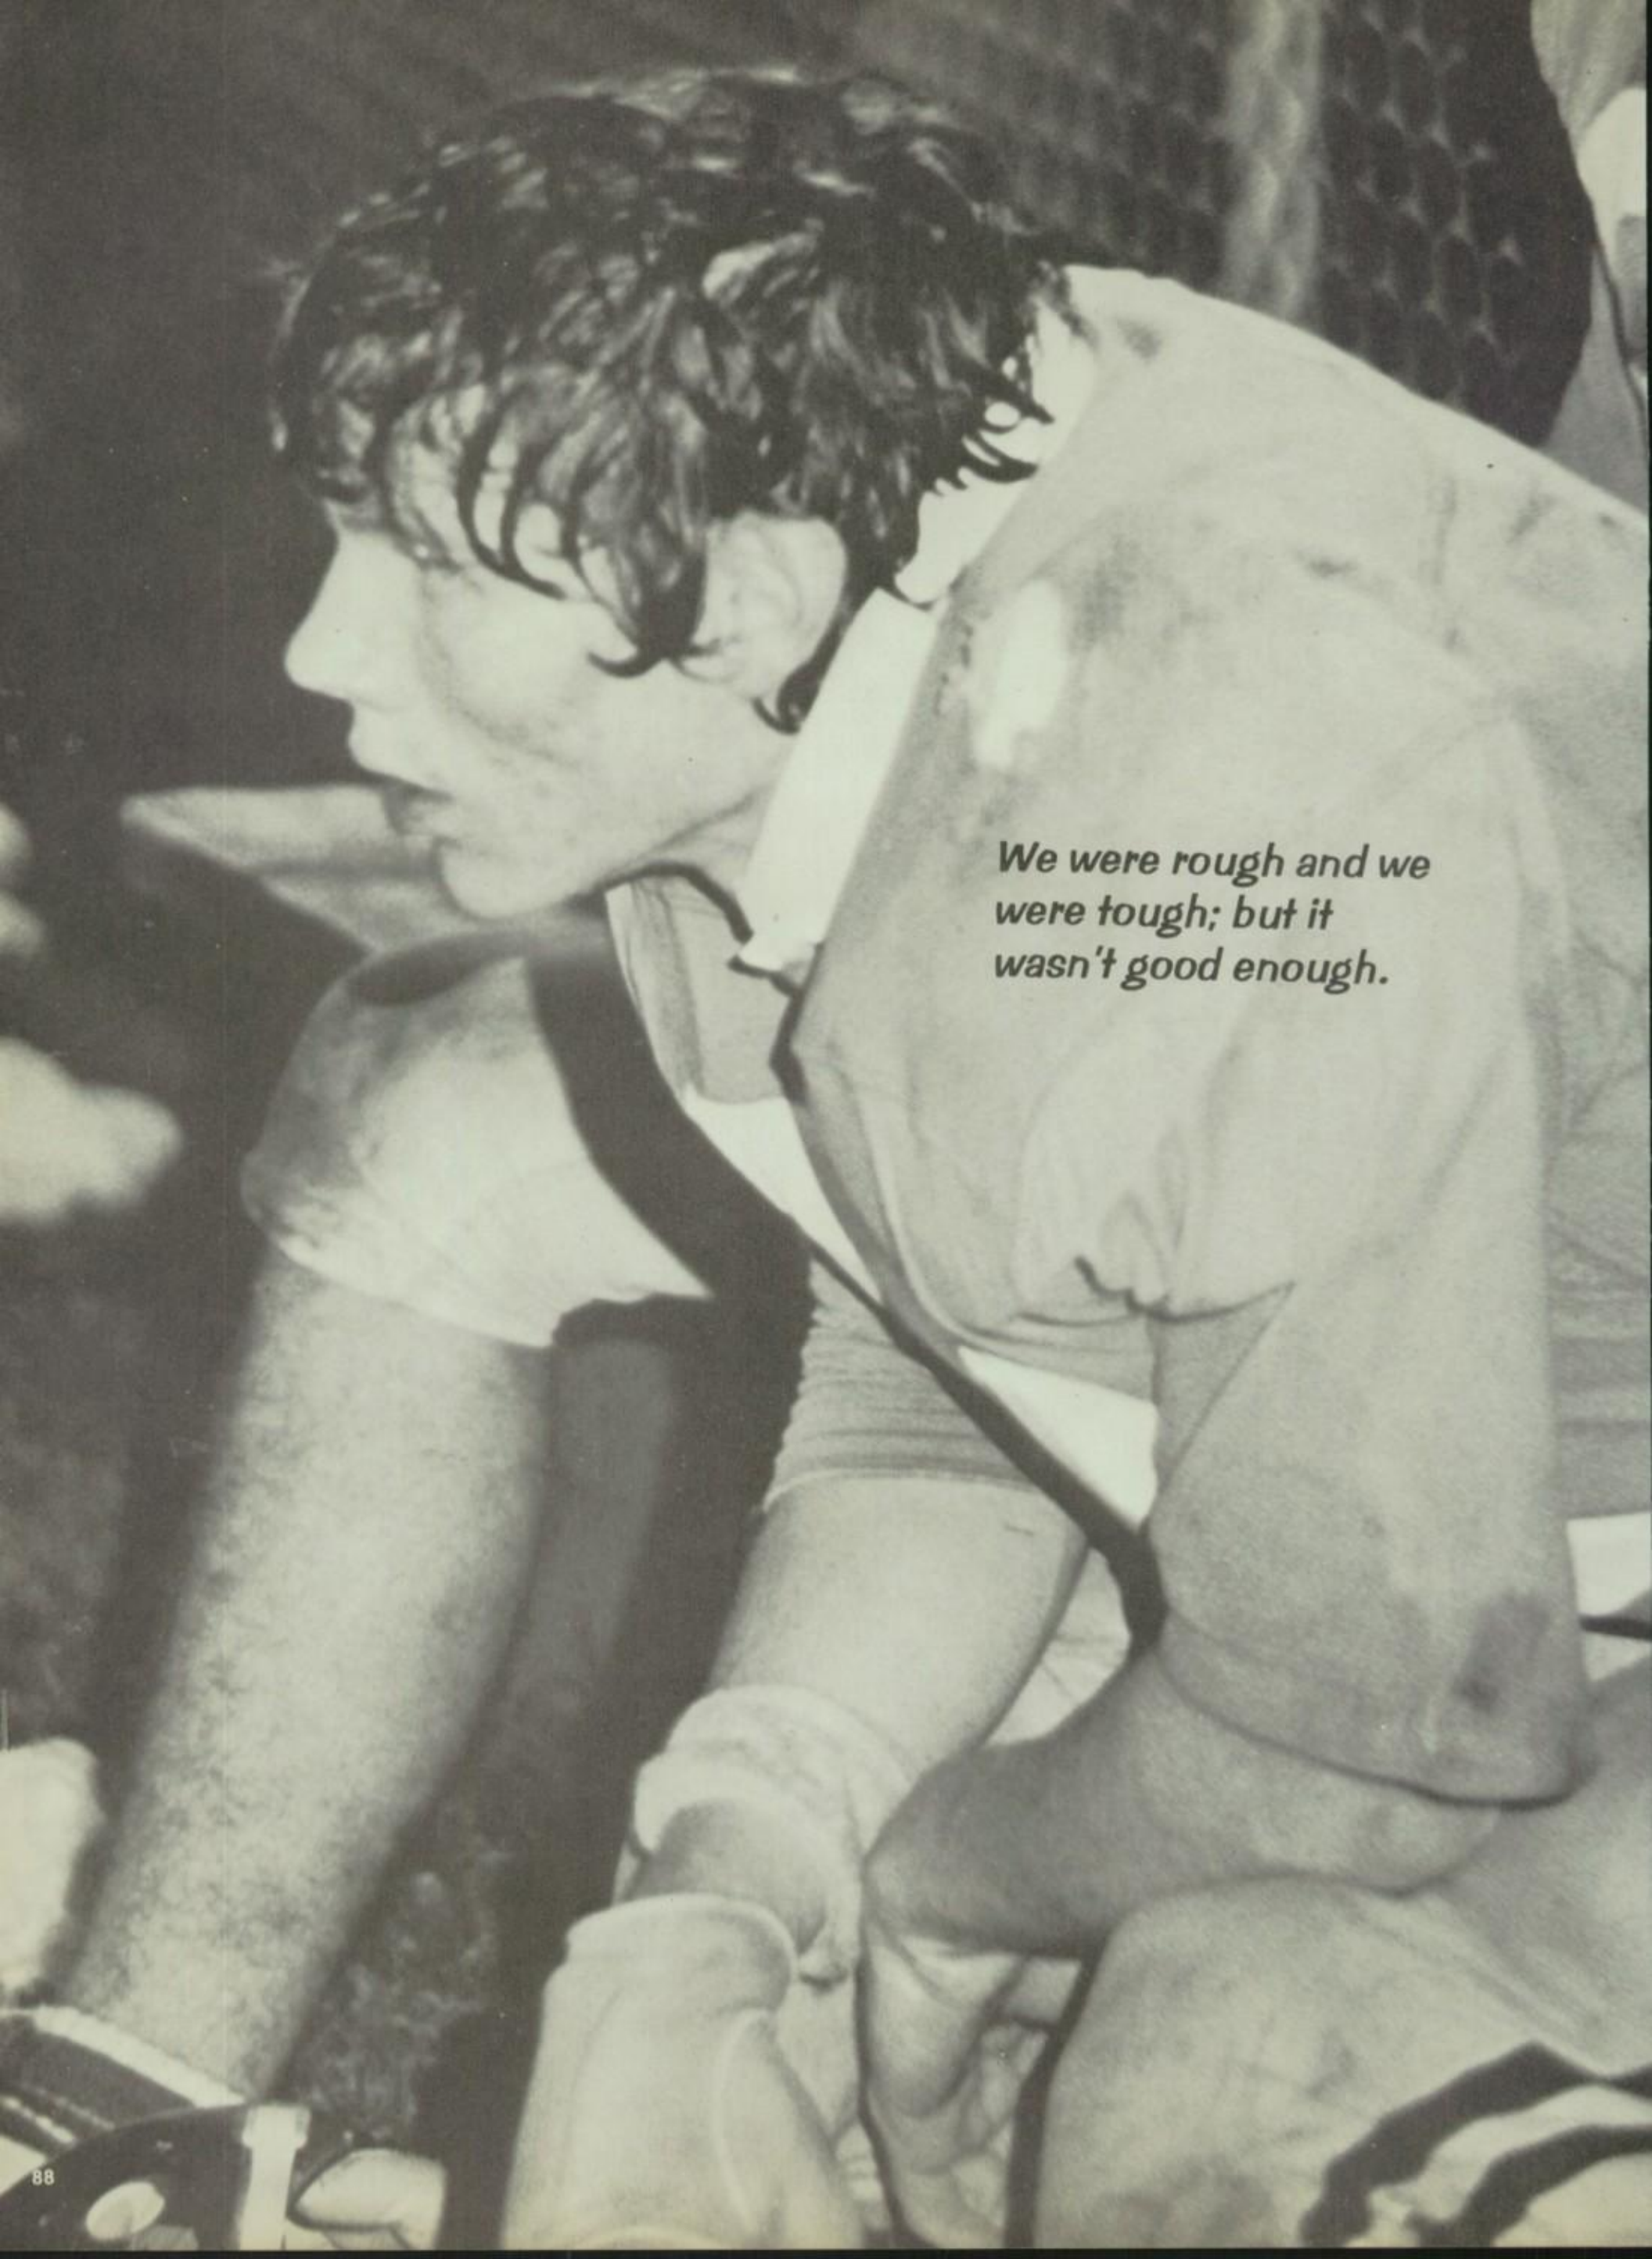
Season's Summary

The CHS Lions opened the season with a 29-7 victory over the Brewer Bears. The Lions did not play well the first half, but began to gel in the second. QB Mike Sherrill led the way with sixty one yards running and six of thirteen passes for one hundred twenty yards and was followed by Terry Pulliam who rushed for sixty seven yards. The Lions under the offensive leadership of QB Mike Sherrill and defensive play of end Bill Wheeler and safety Freddy Nilo won their second game 34-13 over the Azle Hornets. The Lions journeyed to Birdville Stadium to begin district play. The Lions were defeated 19-8 by Haltom, a bigger and more experienced team. The Lions scored when Sherrill threw a fifty yard pass to Nilo with eight seconds remaining in the first half. The Lions then came back in the second half and did a better job of slowing the Buffs. The Lions had opportunities to score but were unable to take advantage of them. Again the Lions fought hard but lost to a larger Trinity team. The Lions played well all through the game, looking for their first district win, but a late field goal beat them. After fighting valiantly for the previous two weeks, the Lions let down and were defeated by L. D. Bell at the homecoming game, 28-13. The next week, against Richland, the Lions fumbled away chances to win a district football game by fumbling four times — twice on the Rebel's one yard line. The Lions moved the ball well but fumbles beat the Lions 21-6. The Lions traveled to Wichita Falls and fought the Coyotes

gallantly, but were defeated 26-6. The Lions held the Coyotes scoreless through the first quarter. Freddy Nilo came on strongly with a ninety yard kick-off return for the lone Lion score. The Lions met Hirschi for the sweetheart game the next week and beat them in every way but on the scoreboard: 16-14. Once again, a fumble and a fourth quarter field goal beat CHS. The Lions cruised to meet Wichita Falls Rider and were outclassed in every department. A few bright spots were the running of FB Terry Pulliam; the passing of QB Mike Sherrill; the defensive play of safety Freddy Nilo and MLB David Hendrix. The Lions played superior football against Mineral Wells to win the last game of the season. Offensively the Lions were led by QB Mike Sherrill and QB Ron Fuller; defensively by safety Freddy Nilo. The MAD LIONS fought resiliently to the final whistle as the score read Lions 14 — Rams 6.





We were rough and we were tough; but it wasn't good enough.

Lions Roar in '74

Homecoming 1974 proved to be an enjoyable occasion from the unique door decorations throughout CHS to the loud and boisterous pep rallies. Exes enjoyed themselves with several various activities filled with reminiscence. The activities began with a parade on Thursday evening and the spirit reigned the entire day amid the mum scented halls. The half time activities during the game brought not only the crowning of the royalty but the presentation of two honorary ex-student membership awards to Mrs. Pearce and Mrs. Griffin. All in all it was a day to remember, especially for the Honor Class — 1964.

Spirit Makers

Elected for their willingness to work, these extraordinary supporters of CHS became engaged in promoting spirit. Busy schedules and no break became a way of life. Decorating gyms and hours and hours of practice were part of a devotion and determination they thoroughly enjoyed. Respected by their peers, they returned the confidence placed in them by cheering the teams toward victory.

The Lions Cross Country Team opened their season running in the Sunset Meet in Dallas. The team did well with two boys finishing in the top twenty. The team competed in the Western Hills Meet at T.C.U. the next week. Rodney Orand finished ninth out of more than two hundred boys. The team then traveled to Dallas to run in the Mesquite Meet. The entire team came through doing a fine job for C.H.S. The Lions won first place at the Arlington Meet with Rodney Orand, David Daniel and Tommy Winn finishing in the top ten places. The team journeyed to Dallas the next week running in the St. Mark Meet with Rodney Orand placing third with an excellent time. The team ran in Dallas again with only one boy, Rodney Orand, in the top ten. The Lions came on strong the next week to capture the 4A-6 Cross Country District Championship for the second year in a row. The team had outstanding running from Senior Rodney Orand finishing first, Senior David Daniel finishing third, Freshman David Easterling finishing fifth and Sophomore Tommy Winn finishing sixth. At the regional meet the Lions placed eighth as a team with each member giving an outstanding effort.

Basketball

Basketball season at Castleberry High School was unsuccessful as far as the win-loss column goes. It was a year of rebuilding for the Lions and Coach Arnold and the inexperience play of the team confirmed this. The boys were dedicated and determined but prosperity was not to be for the Lion Basketball Team.

New scoreboards!

Coaches Busey, Davison, and Arnold

Managers Chris Pena, Walter Bell, Philip Thompson.

Doug Galyean
Senior Guard

Doug started every game for two seasons at C.H.S. He was the team's second leading scorer averaging thirteen points per game for his senior year. Doug was the floor leader of the team which earned him the honor of all-district his senior year.

Wyatt Lewis
Senior Post

Wyatt was a three year letterman at C.H.S. He was a good senior leader who worked very hard. Wyatt started about ninety per cent of the year and was the team's third leading scorer and the team's leading rebounder.

Sweetheart

Kelley Savage

Bob Doud
Senior Guard

Bob only played on varsity one year due to the fact that he moved to Castleberry from Nebraska. Bob was a tremendous hustler who always gave everything he had. His lack of experience kept him from being as good as he desired. Bob was a starting guard off and on throughout the year and averaged seven points per game.

Mike Gilstrap
Senior Forward

Mike only played one and a half years of high school basketball. He was a good shooter but lack of size and playing experience hindered Mike's playing chances.

Steve Langham

Junior Guard

Steve had mononucleosis early in the year and was out of basketball until Christmas. Steve could be counted on to do a good job whenever he went into the game. His big game was fourteen points against Boswell.

Mark Macias

Junior Guard

Mark played all positions for C.H.S. He finished the year as the team's second leading rebounder for the entire year. He is a great hustler and should be a good senior leader.

Ricky Pabalate

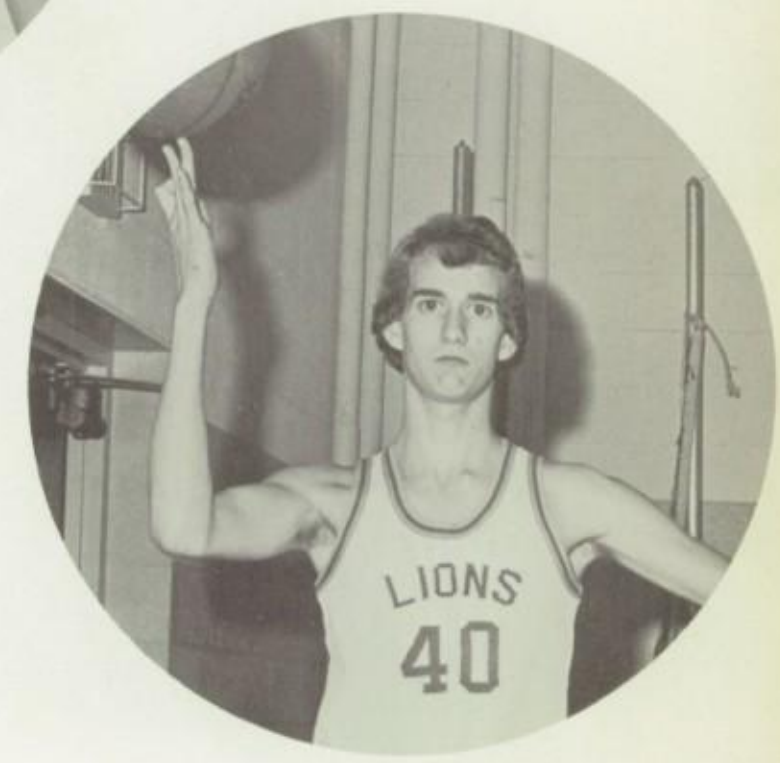
Junior Forward

Ricky started on the varsity about sixty-five per cent of the time. He has good spring to jump and he has a topnotch jump shot. He did an excellent job for his height and experience. Ricky was the team's third leading rebounder.

Jimmy Wilson

Sophomore Post

Jimmy started ten games on varsity as a sophomore. His lack of experience hurt but he did a useful job on defense and in rebounding. Jimmy was the third leading rebounder of the team for his ten games.



Tommy Winn

Sophomore Forward

Tommy only played on the varsity for ten games but still led the team with fifteen and a half points scoring average. Tommy should be a complete basketball player as a junior. He led the team in free throw shooting with an eighty-five per cent accuracy and was named to the all-district team.

Volleyball

Winning is a part of the pride, dedication, and determination of CHS volleyball teams. To come off the court winners has long been the tradition of Miss Langdon's teams. Spending countless hours in preparation for each match, these players combine their physical and mental abilities to achieve their game goal of total annihilation of their competitor. The true goal of high school volleyball is to perfect the total player, not only as a skilled athlete but also as a highly respected individual.

Physical conditioning is of prime importance to participants as they strive to build speed and endurance. Learning to work not only as an individual but also as a team, these athletes experience the feelings of pride and satisfaction as the rewards for sportsmanship and excellence in performance exhibited in competition.

Track

The track team is held in high esteem throughout the area and this year should prove no exception. The team hopes to carry on its winning tradition under the leadership of its four captains who are returning lettermen and new head coach Walter Buttrill. Anticipation is high with such talent as David Daniel in the middle distance and mile relay; Joey Drake in both hurdles and sprint relay; Freddy Nilo in both relays and the quarter mile; and school record holder in the two mile run Rodney Orand who will be running the distance races.

Baseball

Having great expectations for the 1975 baseball season, the Lions began regular practice early in February. Players found their new coach's main concern for the team to be the defensive play. The 1975 team will have four returning lettermen: Mike Sherrill, John Bennett, Jim McCoy, and John Cockerham. The plans are to use Sherrill at shortstop, Bennett at third base, McCoy at center field and pitching, and Cockerham at second base. Both Sherrill and McCoy were all-district in baseball in the 1974 season. The team will be relying on the play of seniors Freddy Nilo, Eddie Aldaco, Randy Addington, Wendal Oakes, Bobby Best, Mike Gallaher, Eddie Stevens, Steve Lile, and Danny Phillips. The roster includes sophomores Ron Fuller, Jamie Gilley, and David Hendrix. If the pitching comes through, which is expected to be led by Jamie Gilley, Jim McCoy, and Eddie Stevens, the baseball team should be in the thick of the 1975 4A-6 district race.

The Game of Love

Castleberry has expanded its athletic curriculum with the addition of tennis. This is the second year of play for the netters. Those returning are: Don McAllister, Kenny Bradley, Don Scroggins, Charles Gray, Larry Taylor, Kathy Hartman, and Karol Kohl. Joining the team this year are John Morrow, Mark Endres, and Scott Bradshaw. Coach Barnes feels there is a growing interest in tennis in this school and with this type of support the program will continue to grow.

Keeping Up to Par

An improving sport at Castleberry High School is golf. Returning lettermen are: D. C. Stipp and Mike Graham. Others returning are: Jay Clements and John Yamada. Added to this year's team are Barry Maples, Terry Duggan, Randy Telford, and Joey Pearce. High hopes for spring play should be visualized by their dedication to practice and improvement of their game. Coach Williams states that this is the best overall team CHS has had since golf was inaugurated here.

Wyatt Lewis

Mary Dowell

With a million things to do everyday, she amazed her friends, as she somehow managed to get everything done. She effectively tackled the job of Senior Class President as well as C.T.O. President. She ably served as a member of the Student Council Senate, the Spanish Club and the A Capella Choir. Despite her busy schedule, Mary was eager to lend a helping hand, earning the admiration of both her fellow students and her teachers.

Debbie Spencer

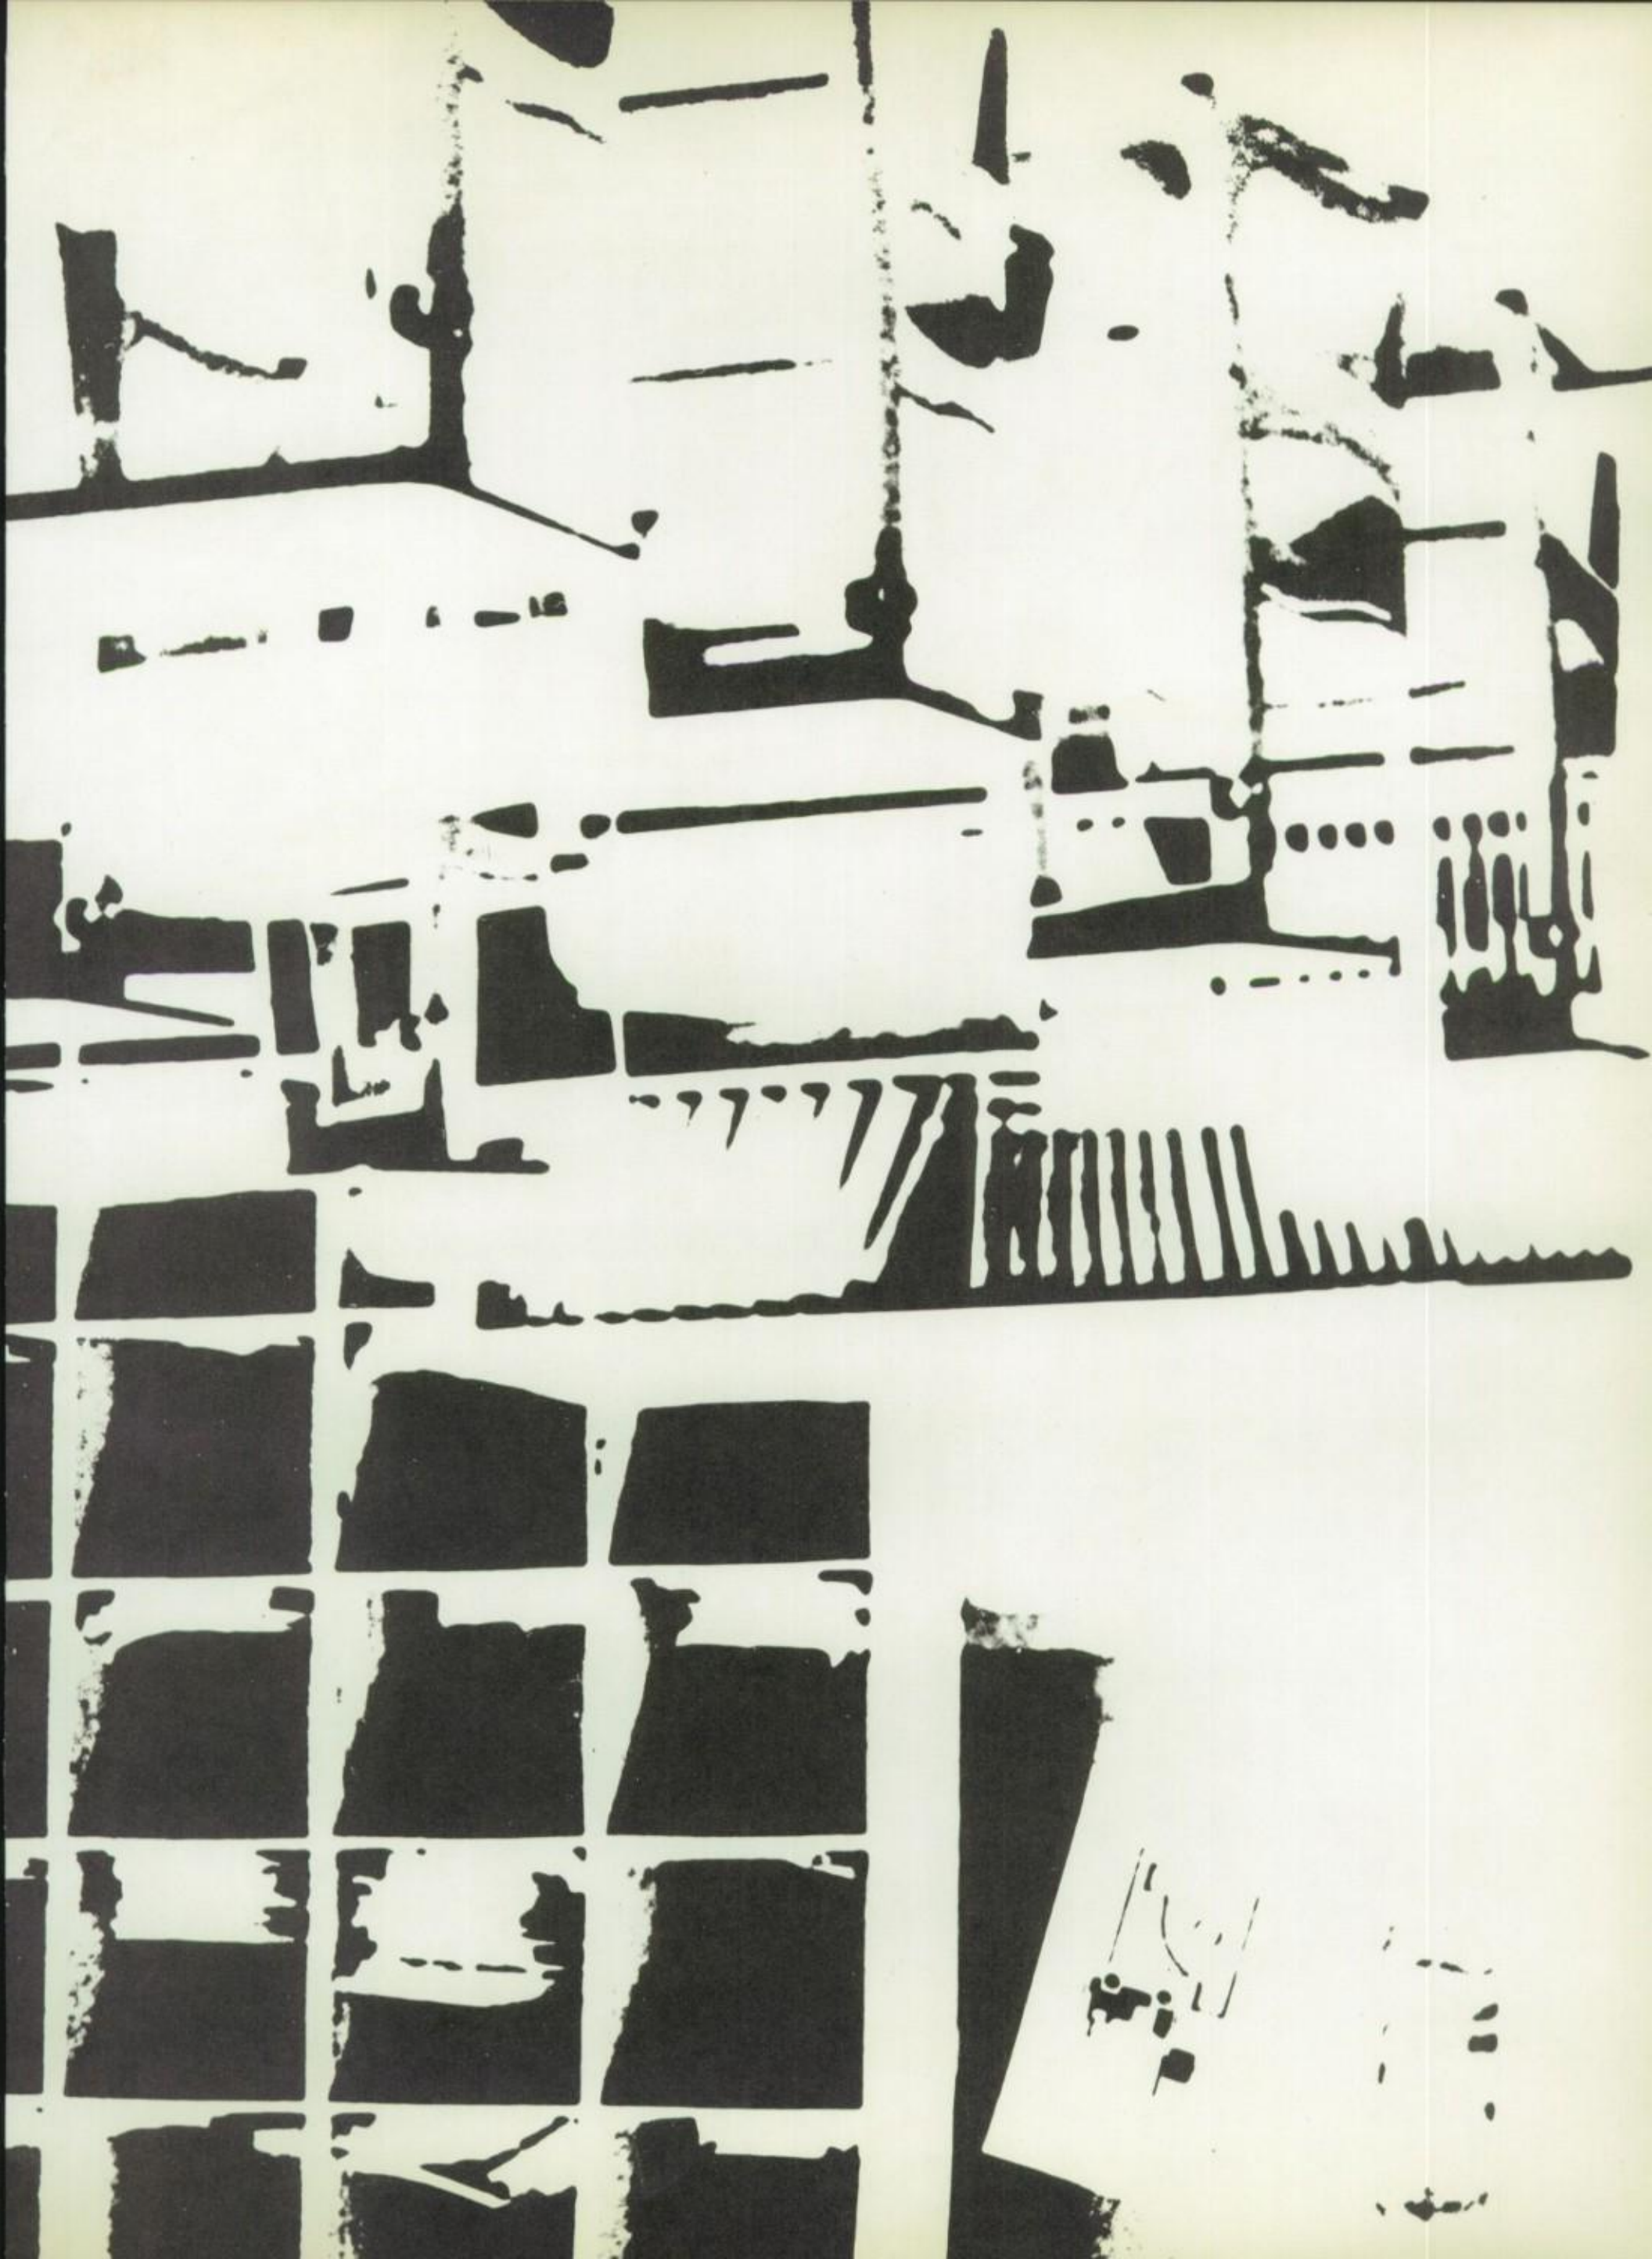
Her unique friendliness and cooperation won her the honor of Homecoming Queen. Eager to assist - she served as Senior Class Secretary, and as a member of F.B.L.A., Spanish Club, and Student Council Senate. Her dedication and loyalty were shown through her never-ending hours of labor as CASTLEVIEWS editor. Debbie's enthusiam for living and doing have earned her an undisputed and honored place in the Class of 1975.

Allen Pennington

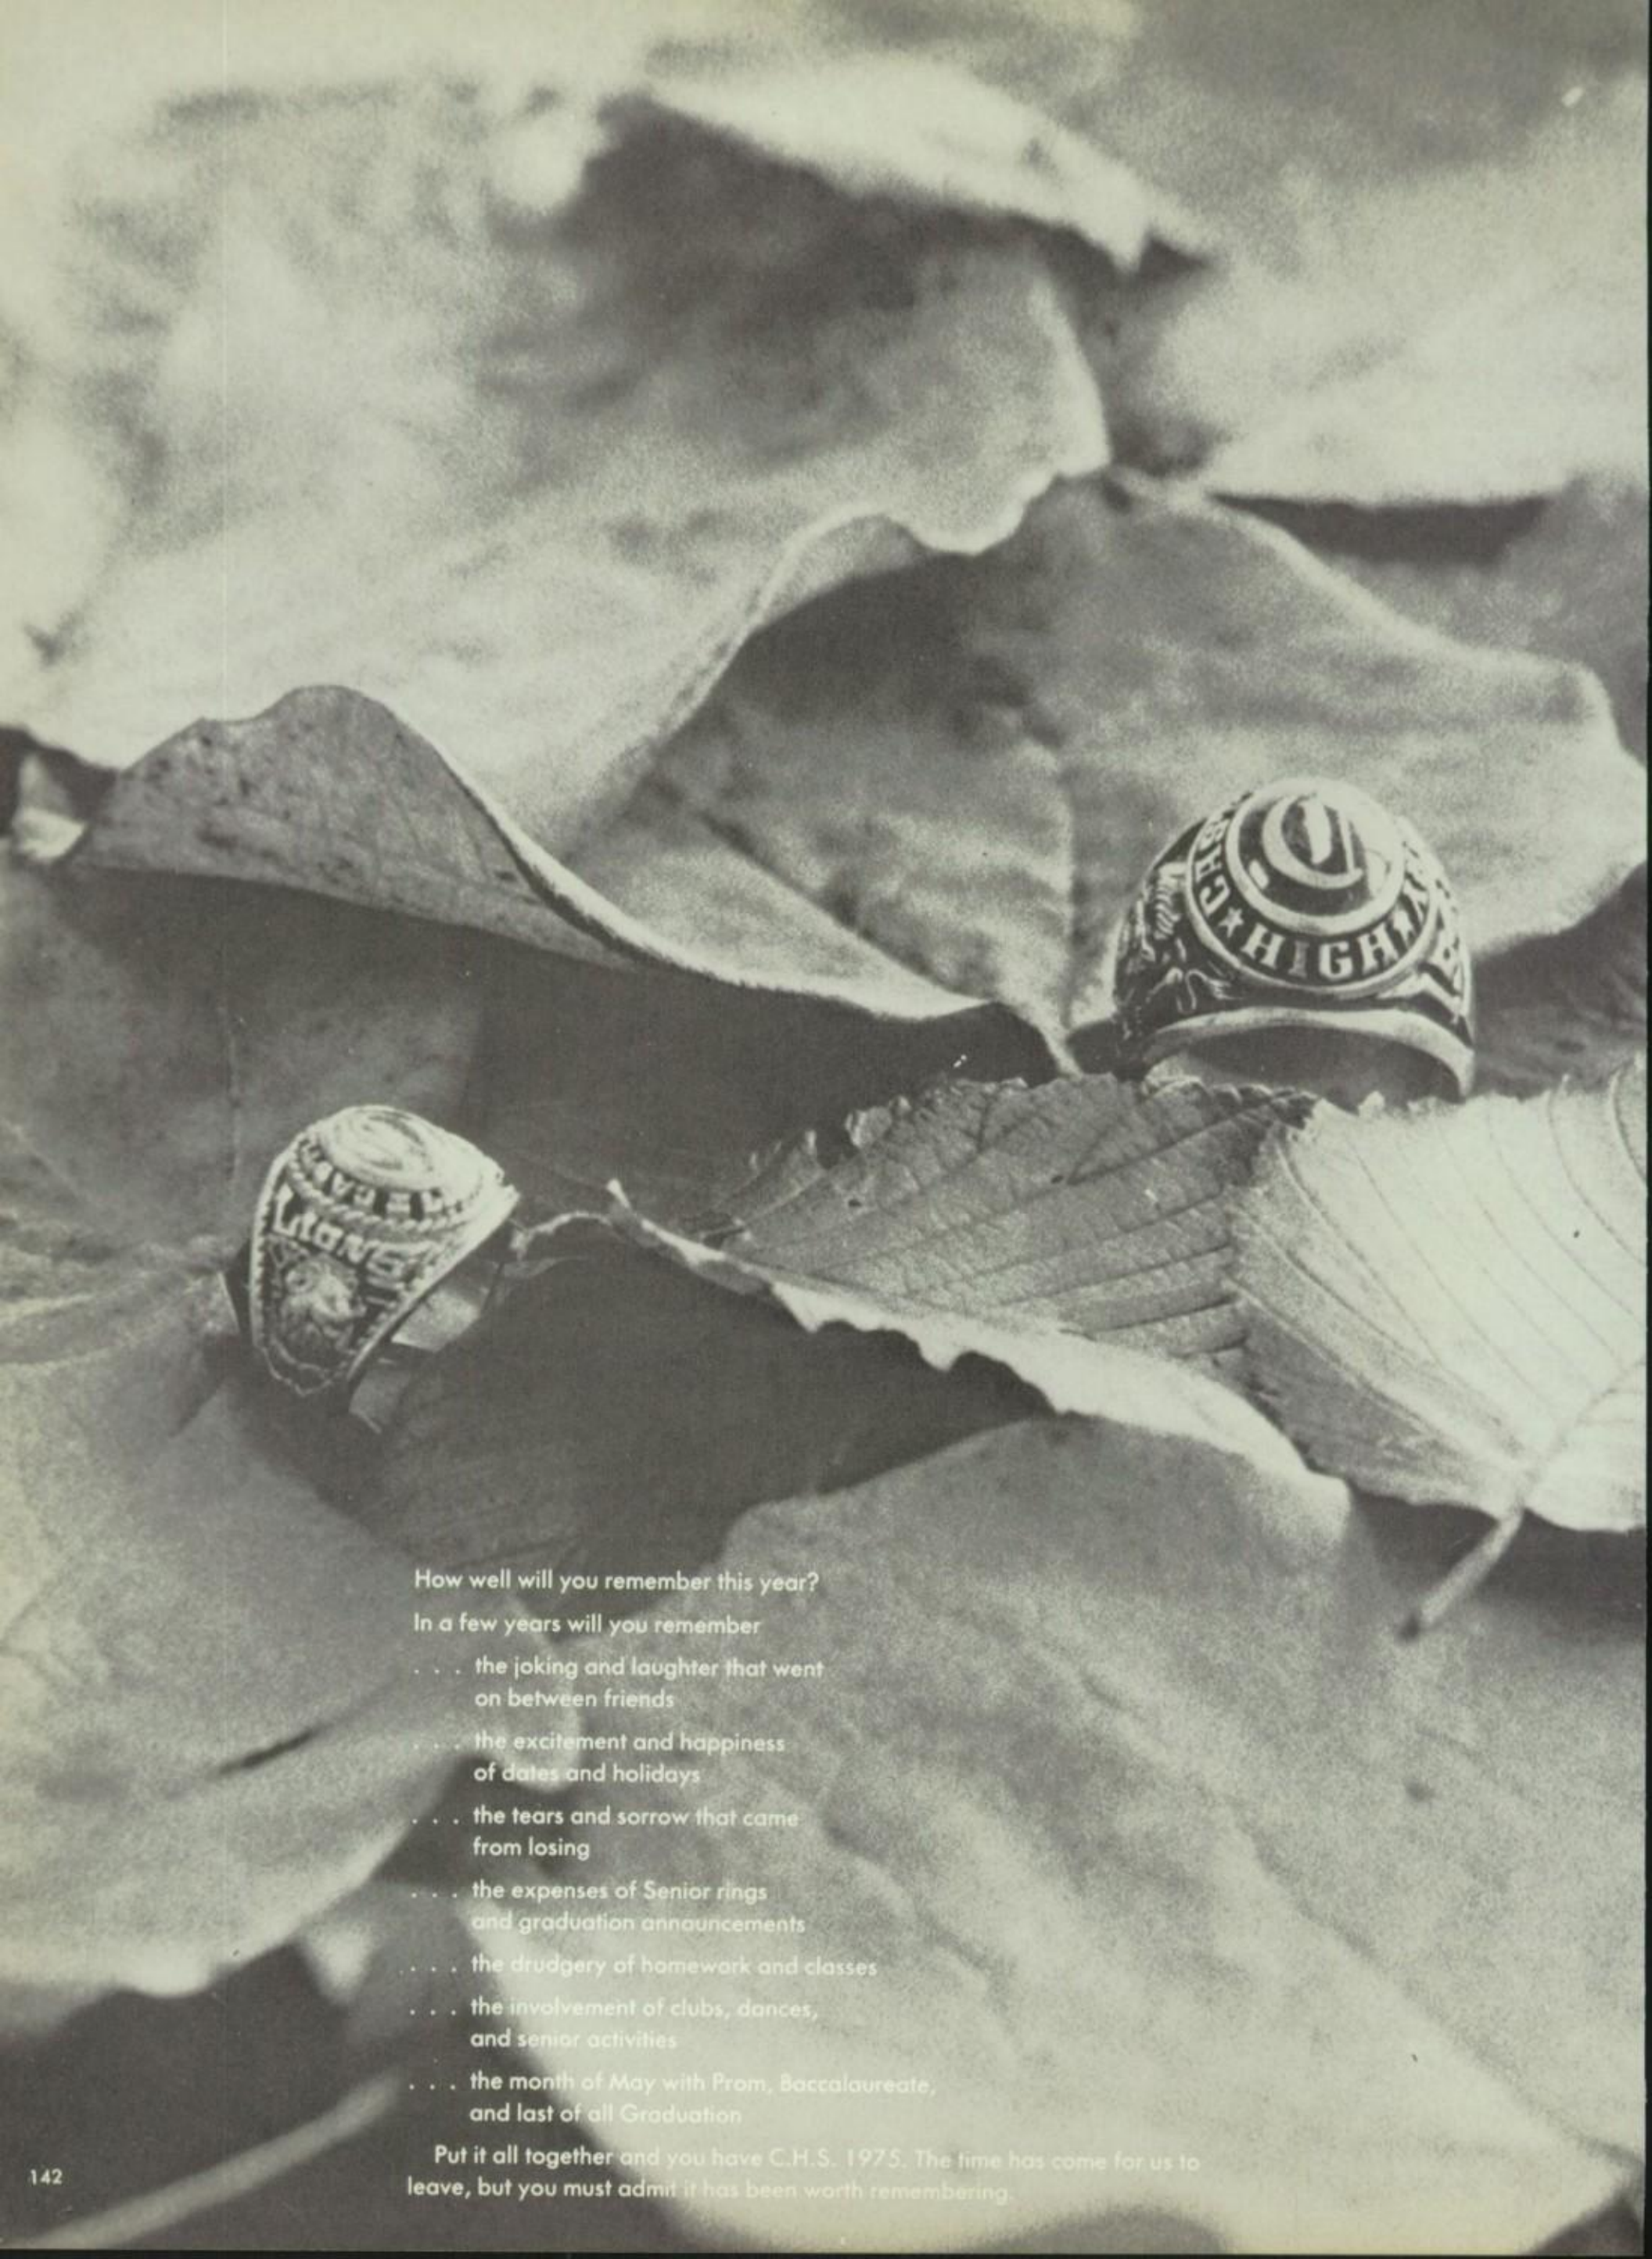
Without fail, this senior was identified any weekend competing in debate tournaments. Leisure time was an obsolete factor as he led the Texas-Oklahoma District in Key Club as its Secretary. Despite his busy schedule, he was always active in student council and other organizations. In doing so he earned the admiration of his fellow students and his teachers.

Wyatt Lewis

A four year basketball player his skills were valuable in leading the Lions. His willingness to become involved in school activities warranted his election as a senator of Student Council and as a member of Key Club. His quiet and reserved manner merited him honor as well as many long lasting friendships.



EVERYBODY WHO IS ANYBODY



How well will you remember this year?

In a few years will you remember

. . . the joking and laughter that went on between friends

. . . the excitement and happiness of dates and holidays

. . . the tears and sorrow that came from losing

. . . the expenses of Senior rings and graduation announcements

. . . the drudgery of homework and classes

. . . the involvement of clubs, dances, and senior activities

. . . the month of May with Prom, Baccalaureate, and last of all Graduation

Put it all together and you have C.H.S. 1975. The time has come for us to leave, but you must admit it has been worth remembering.

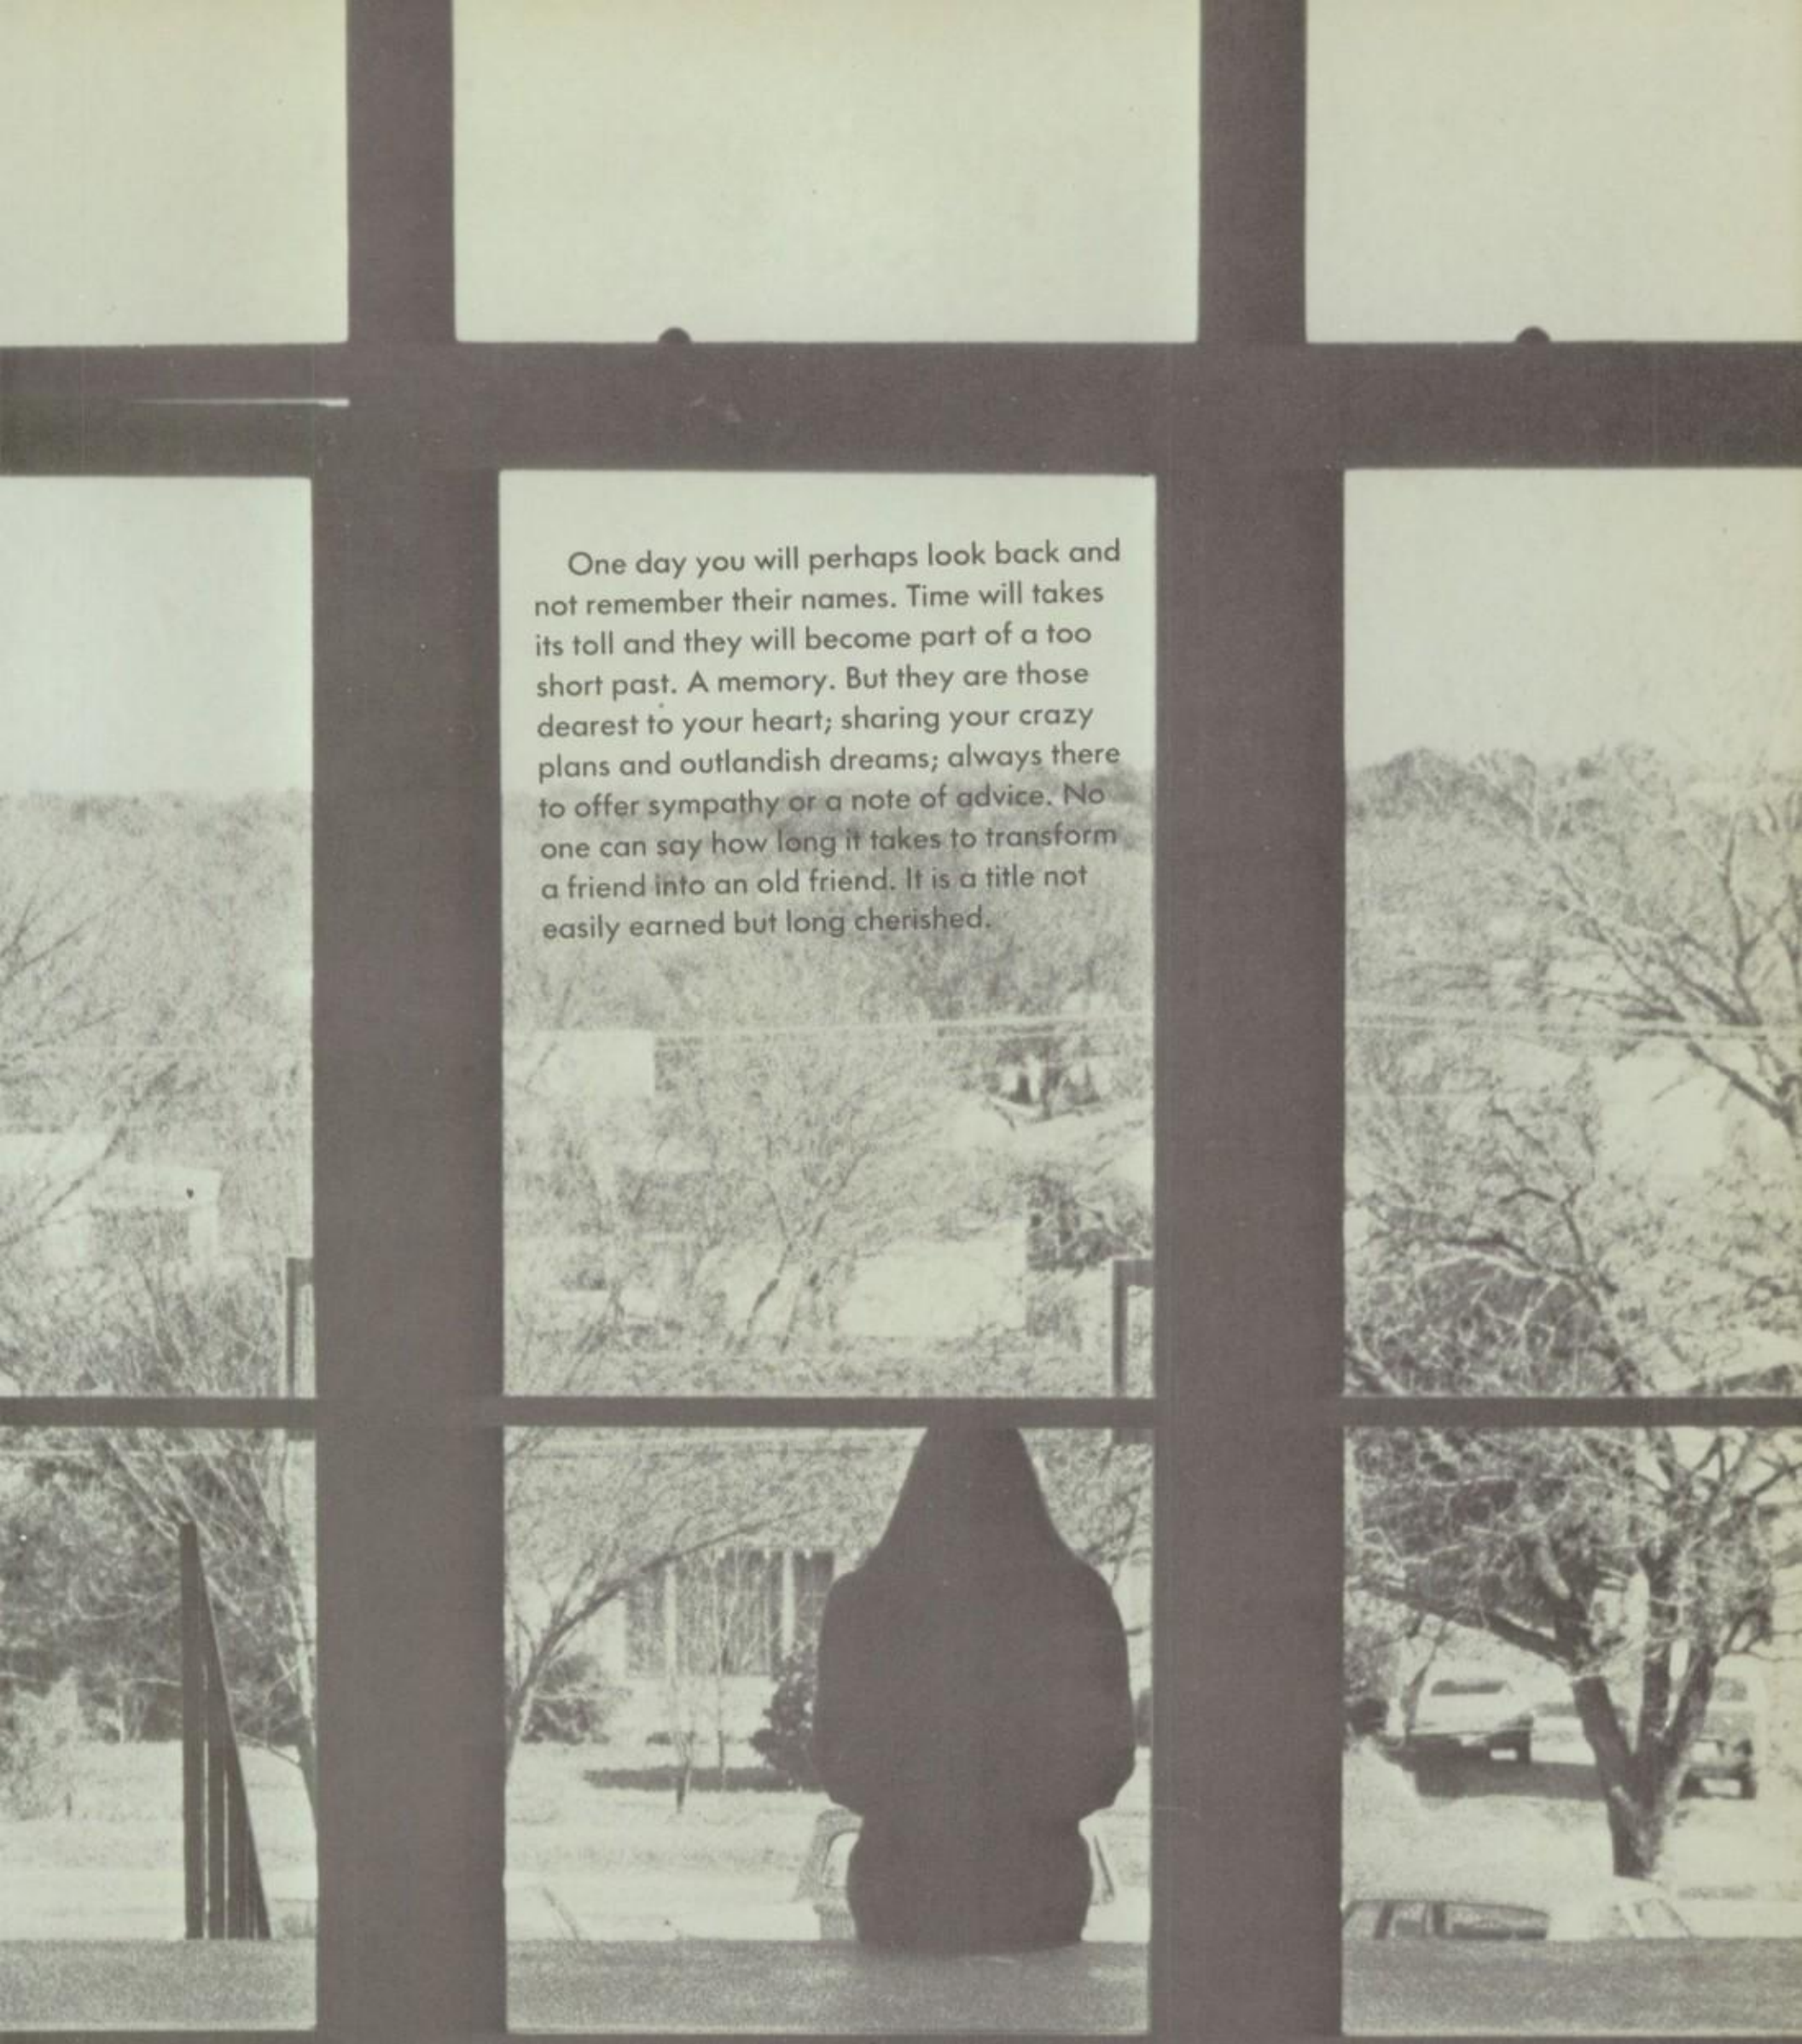
Jim McCoy
Vice-President



One day you will perhaps look back and not remember their names. Time will takes its toll and they will become part of a too short past. A memory. But they are those dearest to your heart; sharing your crazy plans and outlandish dreams; always there to offer sympathy or a note of advice. No one can say how long it takes to transform a friend into an old friend. It is a title not easily earned but long cherished.

For Juniors, "get up and go" was not always mandatory for involvement; a mere smile and personality could boost a student into his own definition of accomplishment and success. Through three years, the Junior has worked, laughed, and dreamed. Now his goal is one year away.

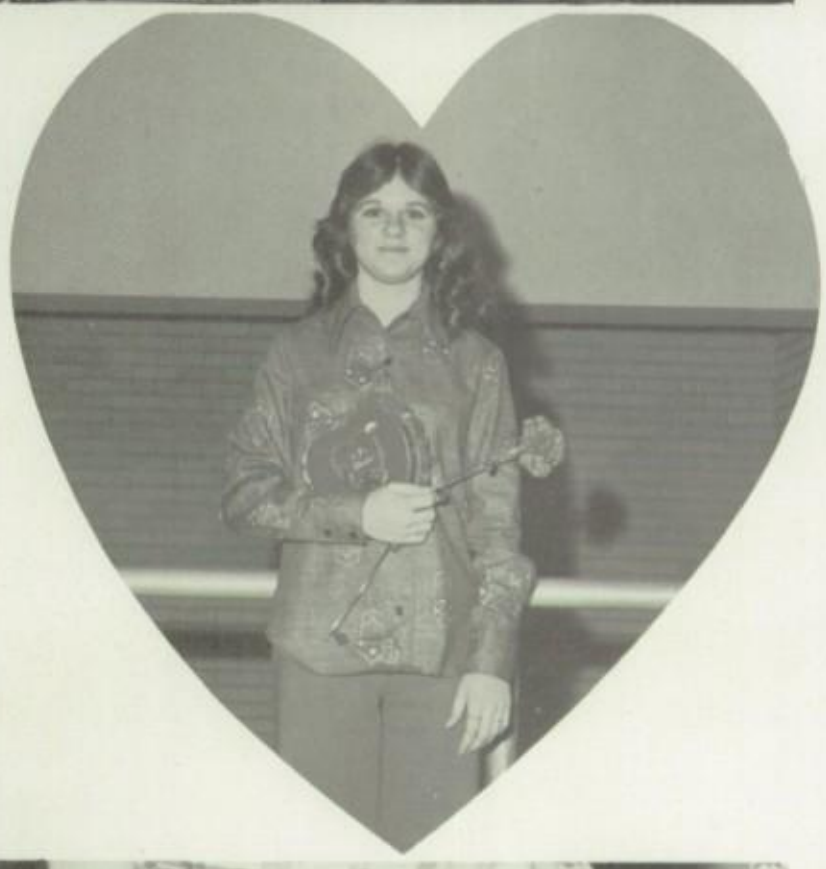
School became the home away from home as Freshmen entered their first year in high school. Two-toned walls, cracked ceilings, thirty students, and the ominous teacher's desk were common sights in every classroom. As the year progressed, concentration seemed harder to come by; however, as Freshmen, we've only just begun, and life is what we make it.

Christmas

At CHS this year, Christmas was a time of giving. The whole school aided the Student Council and Key Club with their various projects. Each homeroom adopted an orphan from the Pythian Home for Christmas and bought presents for him. Student Council bought a tree for the school and sponsored a toy drive. The Choral department was also busy performing at many department stores and malls bringing the feeling of the joy of Christmas to all of Fort Worth.

Valentine

Sweethearts showed their love this year in more ways than one. F.T.A. sponsored singing valentines which were sent all day during the class periods. They sang such songs as "Baby Face," "Let Me Call You Sweetheart," and "Big Spender." The Student Council sold carnations: red for "hots," pink for love, and white for friendship. Glee Club presented a Sweetheart program with their theme being "Love Makes the World Go Round." Patti Gray was chosen CHS Sweetheart from four candidates by penny votes. The money was donated to the orphan project.



Ranch Day

As the sun rose on the plains of CHS, so began the day for ropers and dudes. "Where the West Begins" was the portrayal of the historical development of Fort Worth presented by the Mixed Chorus and Bell Choir. The Roar staff sponsored a drawing with the winner receiving a $50 gift certificate from Ryon's. The ranch king, Bryan McNair, and the ranch queen, Jeannine Davis, were presented at the program. The Castleberry Rodeo Drill Team represented the school at the Fort Worth Exposition Fat Stock Show and Rodeo Parade.

Ms. Catastrophe

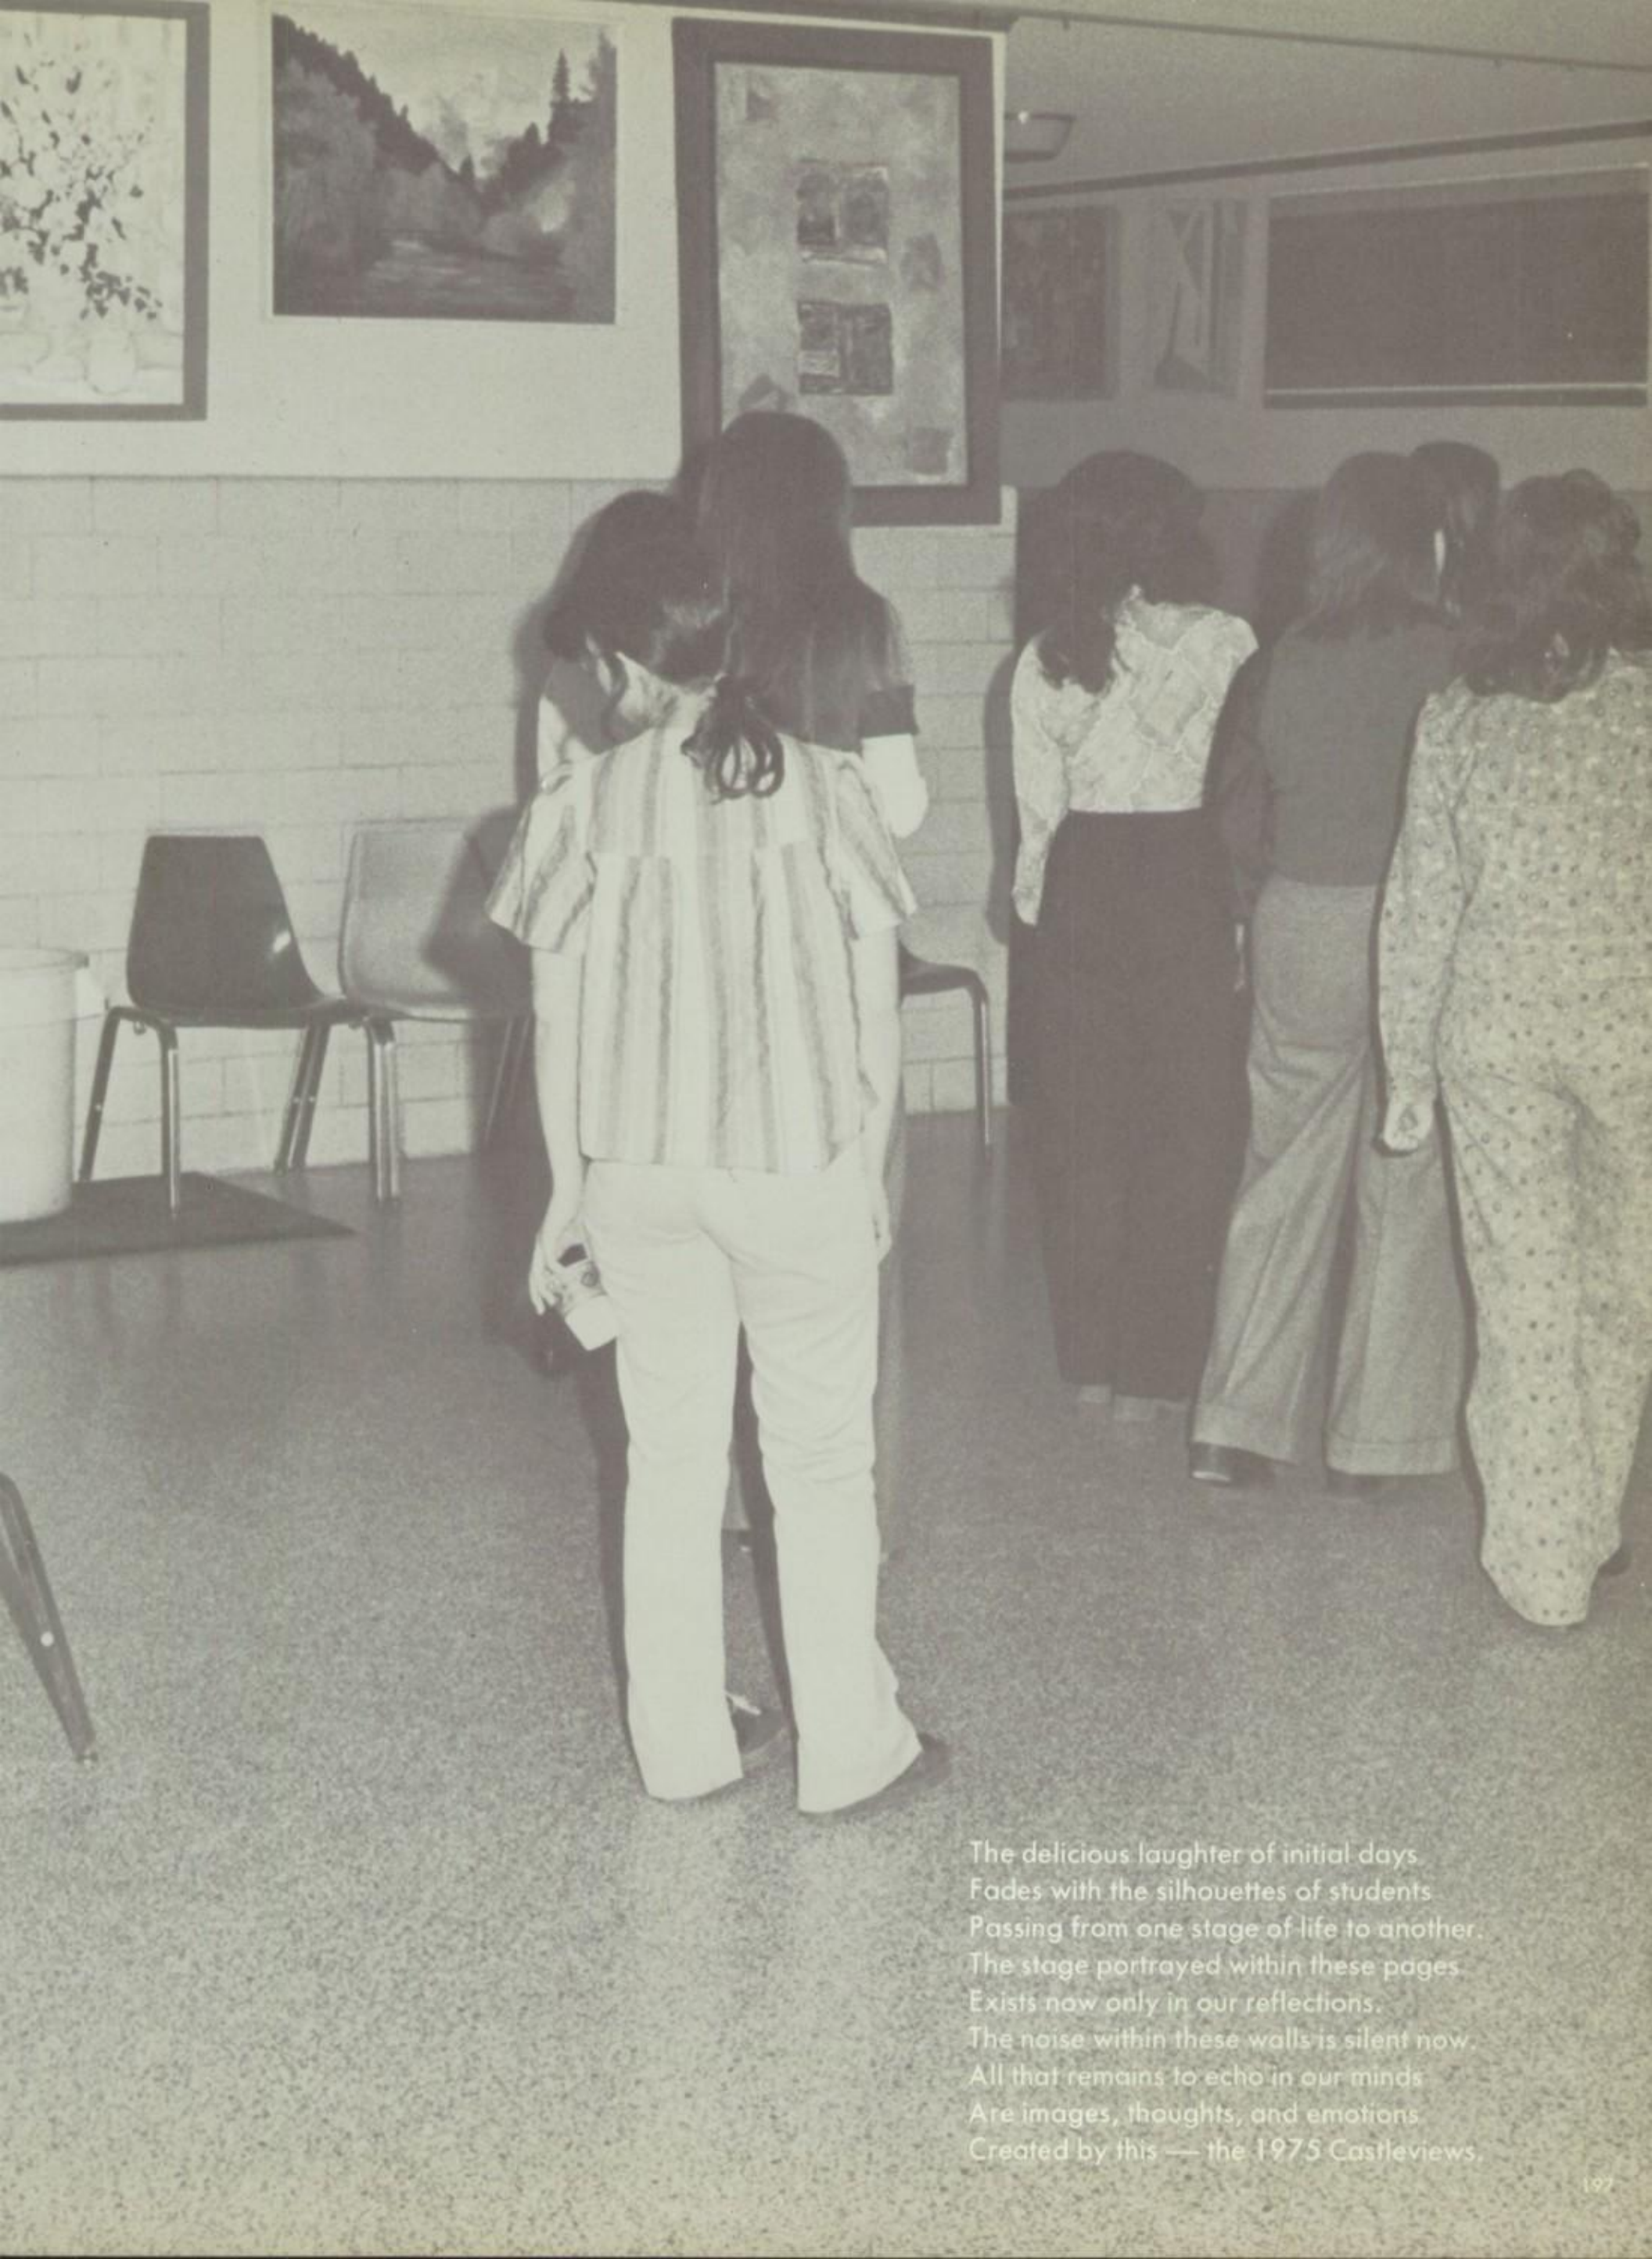
Every year the C.T.O. sponsors a beauty contest in which boys are entered as girls. This year out of the ten gorgeous contestants the devastating Dalwina Stipp was the winner. The frivolous Fredda Nilo was first runner-up and the luscious Louise Vaught was second runner-up. Pictured here are some of the "unforgettables" of the CHS socialites.

In Memoriam

Michael Jack McMinn
December 17, 1959-February 2, 1975

"Death's but a path that must be trod,
If man would ever pass to God."

Thomas Parnell



The delicious laughter of initial days
Fades with the silhouettes of students
Passing from one stage of life to another.
The stage portrayed within these pages
Exists now only in our reflections.
The noise within these walls is silent now.
All that remains to echo in our minds
Are images, thoughts, and emotions
Created by this — the 1975 Castleviews.
